Legal authorization and confidentiality: The collection of this information is authorized by section 10 of the Federal Reserve Act, 12 U.S.C. 244, which provides that the "employment, compensation, leave, and expenses" of Board employees "shall be governed solely by the provisions of this chapter and rules and regulations of the Board not inconsistent therewith." In addition, pursuant to regulations promulgated by the Office of Government Ethics (OGE) pursuant to 5 U.S.C. 7301, each executive agency's designated ethics officer is required to provide "advice and counseling to prospective . . . employees regarding government ethics laws and regulations" and to "maintain records of agency ethics program activities" (5 CFR 2638.104(c)(2) and (4)).

SUPPLEMENTARY INFORMATION: On June 15, 1984, OMB delegated to the Board authority under the PRA to approve and assign OMB control numbers to collections of information conducted or sponsored by the Board. Board-approved collections of information are incorporated into the official OMB inventory of currently approved collections of information. Copies of the PRA Submission, supporting statements, and approved collection of information instrument(s) are placed into OMB's public docket files.

Final Approval under OMB Delegated Authority of the Extension for Three Years, With Revision, of the Following Information Collection:

Report title: Joint Standards for Assessing the Diversity Policies and Practices of Entities Regulated by the Agencies (Policy Statement).

Agency form number: FR 2100.

OMB control number: 7100–0368.

Effective Date: Immediately.

Frequency: Annual.

Respondents: All financial institutions regulated by the Board.

Estimated number of respondents: 125.

Estimated average hours per response: Reporting: 7 hours; Disclosure: 1 hour.

Estimated annual burden hours: 1,000 hours.

General description of report: Section 342 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (Dodd-Frank Act) requires the Office of the Comptroller of the Currency (OCC), Board, Federal Deposit Insurance Corporation (FDIC), National Credit Union Administration (NCUA), Bureau of Consumer Financial Protection (CFPB), and Securities and Exchange Commission (SEC) (the Agencies) each to establish an Office of Minority and Women Inclusion (OMWI) to be responsible for all matters of the Agency relating to diversity in management, employment, and business activities. Section 342 requires each OMWI director to develop standards for "assessing the diversity policies and practices of entities regulated by the

agency.” The Policy Statement, published jointly by the Agencies in June 2015, contains those standards.

Legal authorization and confidentiality: The information collections contained within the Policy Statement, as well as the self-assessment reporting template, are authorized by section 342 of the Dodd-Frank Act,¹ which requires the Board’s OMWI director to develop standards for assessing regulated entities’ diversity policies and practices. The information collections associated with the Policy Statement are voluntary, as is the use of the self-assessment reporting template.

The Transparency Standard, and a portion of the Self-Assessment Standard, call for regulated entities to provide information to the public, so confidentiality is not an issue with respect to those aspects of the Policy Statement. A regulated entity may provide self-assessment material to the Board (including through use of the reporting template) containing confidential commercial information that is protectable under exemption 4 of the Freedom of Information Act.² If a regulated entity submits confidential commercial information that is both customarily and actually treated as private by the entity, the entity should separately designate such information as “confidential commercial information,” as appropriate, and the Board will treat such designated information as confidential to the extent permitted by law, including the Freedom of Information Act.³ As noted in the Policy Statement, an entity’s primary federal regulator may share information obtained from regulated entities with other Agencies, but the Agencies will only publish information disclosed to them in a form that does not identify a particular entity or individual or disclose confidential business information.

Current actions: On March 2, 2020, the Board published a notice in the **Federal Register** (85 FR 12296) requesting comment for 60 days on the proposal to extend, with revision, the Joint Standards for Assessing the Diversity Policies and Practices of Entities Regulated by the Agencies. The Board has revised the language in the “Use of Information” section of the reporting template regarding the designation of information as confidential by respondents. The Board also eliminated the “Yes/No” check boxes under Section 5 (“Institution’s Self-Assessment”) of the reporting

template and asks for a more detailed description of the institution’s practices during the annual self-assessment period. Additionally, the FR 2100 includes a disclosure provision for respondent institutions. The Board has revised the FR 2100 information collection to account for this disclosure provision. The comment period expired on May 1, 2020. The Board did not receive any comments. The revisions will be implemented as proposed.

Board of Governors of the Federal Reserve System, June 23, 2020.

Assistant Secretary of the Board.

SUPPLEMENTARY INFORMATION: On June 15, 1984, OMB delegated to the Board authority under the PRA to approve and assign OMB control numbers to collections of information conducted or sponsored by the Board. Board-

approved collections of information are incorporated into the official OMB inventory of currently approved collections of information. Copies of the PRA Submission, supporting statements, and approved collection of information instrument(s) are placed into OMB’s public docket files.

Final Approval under OMB Delegated Authority of the Extension for Three Years, Without Revision, of the Following Information Collection:

Report title: Compensation and Salary Surveys.

Agency form number: FR 29a, FR 29b.

OMB control number: 7100–0290.

Frequency: FR 29a, annually; FR 29b, on occasion.

Respondents: Employers considered competitors of the Board.

Estimated number of respondents: FR 29a, 35; FR 29b, 10.

Estimated average hours per response: FR 29a, 6 hours; FR 29b, 1 hour.

Estimated annual burden hours: FR 29a, 210 hours; FR 29b, 50 hours.

General description of report: The FR 29a and FR 29b collect information on salaries, employee compensation policies, and other employee programs from employers that are considered competitors of the Board. The data from the surveys primarily are used to determine the appropriate salary structure and salary adjustments for Board employees. The Board, along with other Financial Institutions Reform, Recovery and Enforcement Act of 1989 (FIRREA) agencies,¹ conduct the FR 29a survey jointly. The FR 29b is collected by the Board only.

Legal authorization and confidentiality: The FR 29 is authorized by sections 10(4) and 11(1) of the Federal Reserve Act,² which authorizes the Board to determine employees’ compensation. Survey submissions are voluntary. The FR 29a survey is conducted by an outside consultant that only submits to the Board a report of aggregate data. Because the Board does not collect or have access to the individual respondent data, no confidentiality issue arises with respect to the individual responses to the FR 29a. Individual responses to the FR 29b may be kept confidential on a case-by-case basis. The Board will consider whether information collected through these surveys may be kept confidential

¹ For purposes of this proposal, the FIRREA agencies consist of the Federal Reserve Board, the Office of the Comptroller of the Currency, the Federal Deposit Insurance Corporation, the National Credit Union Administration, the Commodity Futures Trading Commission, the Farm Credit Administration, and the Securities and Exchange Commission.
