Indian tribes are eligible to apply for funding under the Native American Library Services Enhancement Grant program. Entities such as libraries, schools, tribal colleges, or departments of education are not eligible applicants, although they may be involved in the administration of this program and their staff may serve as project directors in partnership with an eligible applicant.

For purposes of funding under this program, "Indian tribe" means any tribe, band, nation, or other organized group or community, including any Alaska native village, regional corporation, or village corporation (as defined in, or established pursuant to, the Alaska Native Claims Settlement Act (43 U.S.C. 1601 *et seq.*)), which is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians. A list of eligible

entities is available from the Bureau of Indian Affairs.

To be eligible for this program an applicant must be able to document an existing library that meets, at a minimum, three basic criteria: (1) Regularly scheduled hours, (2) staff, and (3) materials available for library users.

This action is to renew the forms and instructions for the Notice of Funding Opportunity for the next three years.

IMLS is particularly interested in comments that help the agency to:
