Certain Oil Country Tubular Goods From the People's Republic of China: Final Results of the Expedited Second Sunset Review of the Countervailing Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) finds that revocation of the countervailing duty (CVD) order on certain oil country tubular goods (OCTG) from the People's Republic of China (China) would be likely to lead to continuation or recurrence of countervailable subsidies.

DATES: Applicable June 29, 2020.

FOR FURTHER INFORMATION CONTACT: Dusten Hom or Mary Kolberg, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone (202) 482–5075 or (202) 482–1785, respectively.

SUPPLEMENTARY INFORMATION:

Background

On January 20, 2010, Commerce published the countervailing duty order

on OCTG from China.¹ On April 1, 2020, Commerce published the initiation of the second sunset review of this order, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).² On April 14, 2020, Commerce received a notice of intent to participate from Maverick Tube Corporation, Tenaris Bay City, Inc., and IPSCO Tubulars Inc. (collectively, Tenaris USA), and on April 16, 2020, Commerce received a notice of intent to participate from United States Steel Corporation (U.S. Steel), Vallourec Star, L.P. and Welded Tube USA, Inc. (collectively, Vallourec USA), and BENTELEER Steel/Tube Manufacturing Corp. (BENTELEER).³ All notices of intent to participate were filed within the deadline specified in 19 CFR 351.218(d)(1)(i). Tenaris USA, U.S. Steel, Vallourec USA, and BENTELEER (collectively, domestic interested parties) claimed interested party status under section 771(9)(C) of the Act as producers of OCTG in the United States.

On May 1, 2020, Commerce received an adequate substantive response from the domestic interested parties within the 30-day deadline specified in 19 CFR 351.218(d)(3).⁴ Commerce did not receive any submissions from any other interested parties. Because Commerce did not receive a substantive response from either the Government of China (GOC) or the respondent interested parties who are producers or exporters of OCTG, we determined that respondent interested parties provided inadequate responses to Commerce's notice of initiation.

On May 22, 2020, Commerce notified the U.S. International Trade Commission that it did not receive an

adequate substantive response from respondent interested parties.⁵ As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(B)–(C), Commerce is conducting an expedited (120-day) sunset review of the *CVD Order*.

The scope of the order also covers OCTG coupling stock. Excluded from the scope of the order are casing or tubing containing 10.5 percent or more by weight of chromium; drill pipe; unattached couplings; and unattached thread protectors.
