BILLING CODE 9110–12–P

DEPARTMENT OF HOMELAND SECURITY

Office of the Secretary

[Docket No. DHS–2020–0030]

DHS Data Privacy and Integrity Advisory Committee

AGENCY: Privacy Office, Department of Homeland Security (DHS).

ACTION: Committee management; withdrawal of notice of committee charter renewal; notice of committee reestablishment.

SUMMARY: A notice of committee charter renewal for the Data Privacy and Integrity Advisory Committee, which was published in the **Federal Register** on June 18, 2020, is hereby withdrawn. In this document, the Acting Secretary of Homeland Security also announces the determination that the reestablishment of the Data Privacy and Integrity Advisory Committee is

necessary and in the public interest in connection with the Department of Homeland Security's performance of its duties.

DATES: The notice of committee charter renewal published on June 18, 2020, at 85 FR 36873, is withdrawn as of July 2, 2020.

FOR FURTHER INFORMATION CONTACT: Nicole Sanchez, Designated Federal Officer, DHS Data Privacy and Integrity Advisory Committee, Department of Homeland Security, Privacy Office, Mail Stop 0655, 2707 Martin Luther King Jr. Ave SE, Washington, DC 20528–0655, by telephone (202) 343–1717, by fax (202) 343–4010, or by email to *privacycommittee@hq.dhs.gov.*

SUPPLEMENTARY INFORMATION:

Background: Under the authority of 6 U.S.C. 451, this charter reestablishes the Data Privacy and Integrity Advisory Committee (DPIAC) as a discretionary committee, which shall operate in accordance with the provisions of the *Federal Advisory Committee Act* (FACA), 5 U.S.C. Appendix. The Committee provides advice at the request of the Secretary and the Chief

Privacy Officer of the Department of Homeland Security (DHS) (hereinafter "the Chief Privacy Officer") on programmatic, policy, operational, security, administrative, and technological issues within DHS that relate to personally identifiable information (PII), as well as data integrity, transparency, and other privacy-related matters.

Good Cause for Late Notice: This Notice of Committee reestablishment is published less than 15 days before Notice of Charter reestablishment. Pursuant to 41 CFR 102–3.65, notices of establishment and reestablishment of advisory committees must appear at least 15 calendar days before the charter is filed. However, the General Services Administration (GSA) may approve less than 15 calendar days when requested by the agency for good cause. 41 CFR 102–3.65(b). In this case, GSA has approved less than 15 calendar days for good cause. Due to extenuating circumstances, including significant changes to the Privacy Office staffing, the need to prioritize work on issues related to COVID–19, and clearance requirements within DHS, DHS was

unable to submit to GSA the necessary documentation in time to renew the DPIAC Charter before it expired on June 4, 2020.

Withdrawal of previously published notice: A notice of committee charter renewal was prematurely published on June 18, 2020, at 85 FR 36873 and is hereby withdrawn.

Dated: June 27, 2020.

Constantina Kozanas,

Chief Privacy Officer, Department of Homeland Security.

DEPARTMENT OF HOMELAND SECURITY

Transportation Security Administration

[Docket No. TSA–2006–24191]

Intent To Request Extension From OMB of One Current Public Collection of Information: Transportation Worker Identification Credential (TWIC®) Program

AGENCY: Transportation Security Administration, DHS.

ACTION: 60-Day notice.

SUMMARY: The Transportation Security Administration (TSA) invites public comment on one currently approved Information Collection Request (ICR), Office of Management and Budget (OMB) control number 1652–0047, abstracted below that we will submit to OMB for an extension, in compliance with the Paperwork Reduction Act (PRA). The ICR describes the nature of the information collection and its expected burden. The collection involves the submission of biographic and biometric information that TSA uses to verify identity and conduct a security threat assessment (STA) for the TWIC® Program, and a customer satisfaction survey.

DATES: Send your comments by August 31, 2020.

ADDRESSES: Comments may be emailed to *TSAPRA@tsa.dhs.gov* or delivered to the TSA PRA Officer, Information Technology (IT), TSA–11, Transportation Security Administration, 601 South 12th Street, Arlington, VA 20598–6011.

FOR FURTHER INFORMATION CONTACT: Christina A. Walsh at the above address, or by telephone (571) 227–2062.

SUPPLEMENTARY INFORMATION:

Comments Invited

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501

et seq.), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The ICR documentation will be available at *http://www.reginfo.gov* upon its submission to OMB. Therefore, in preparation for OMB review and approval of the following information collection, TSA is soliciting comments to—

(1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Consistent with the requirements of Executive Order (E.O.) 13771, Reducing Regulation and Controlling Regulatory Costs, and E.O. 13777, Enforcing the Regulatory Reform Agenda, TSA is also requesting comments on the extent to which this request for information could be modified to reduce the burden on respondents.

Information Collection Requirement

OMB Control Number 1652–0047; Transportation Worker Identification Credential (TWIC®) Program. The Transportation Worker Identification Credential (TWIC®) program is a DHS program administered jointly by TSA and the U.S. Coast Guard (USCG) to mitigate threats and vulnerabilities in the national maritime transportation system. The program implements authorities set forth in the Aviation and Transportation Security Act (ATSA) (Pub. L. 107–71; Nov. 19, 2002; sec. 106), the Maritime Transportation Security Act of 2002 (MTSA) (Pub. L. 107–295; Nov. 25, 2002; sec. 102), and the Safe, Accountable, Flexible, Efficient Transportation Equity Act—A Legacy for Users (SAFETEA–LU) (Pub. L. 109–59; Aug. 10, 2005; sec. 7105), codified at 49 U.S.C. 5103a(g). TSA and the USCG implemented these requirements through a rulemaking codified at 33 CFR parts 105 and 106, and 49 CFR part 1572.

TWIC® is a common credential for all personnel requiring unescorted access to secure areas of facilities and vessels regulated pursuant to requirements in the Maritime Transportation Security

Act (MTSA) and certain mariners holding USCG credentials. Individuals in the field of transportation who are required to undergo an STA in certain other programs, such as the Chemical Facility Anti-Terrorism (CFATS) program, may also apply for a TWIC® and the associated security threat assessment to satisfy CFATS requirements.

Before issuing an individual a TWIC®, TSA performs an STA that includes checks of criminal history, immigration, and terrorism records. To conduct the STA, TSA must collect the following:

• Certain biographic information, including name, address, date of birth and other information;

• Fingerprints and photographs of applicants; and

• A $125.25 fee from applicants to cover the cost of the STA, as required by law (*see* 6 U.S.C. 469).

TSA collects this information from applicants during an optional pre-enrollment step or during the enrollment session at an enrollment center.

If TSA determines that the applicant is eligible to receive a TWIC® as a result of the STA, TSA issues and sends an activated TWIC® card to the address provided by the applicant or notifies the applicant that their TWIC® is ready for pick up and activation at an enrollment center. Once activated, this credential can be used for facility and vessel access control requirements to include card authentication, card validation, and identity verification. In the event of a lost, damaged or stolen credential, the cardholder must notify TSA immediately and may request a replacement card online, via telephone or, from an enrollment center for a $60.00 fee.

TSA may also use the information to determine a TWIC® holder's eligibility to participate in TSA's expedited screening program for air travel, TSA PreCheck™ Application Program. Beginning April 2020, active (unexpired) TWIC® holders who meet the eligibility requirements for TSA PreCheck may use their TWIC® card's Credential Identification Number in the appropriate known traveler number field of an airline reservation to obtain expedited screening eligibility.

TSA invites all TWIC® applicants to complete an optional survey to gather information on the applicants' overall customer satisfaction with the enrollment process. This optional survey is administered by a Trusted Agent (a representative of the TWIC® enrollment service provider, who performs enrollment functions) during the process to activate the TWIC®.
