

not materially injured or threatened with material injury by reason of imports of glass containers from China, provided for in subheading 7010.90.50 of the Harmonized Tariff Schedule of the United States, that have been found by the U.S. Department of Commerce (“Commerce”) to be subsidized by the government of China.²

Background

The Commission instituted this investigation effective September 25, 2019, following receipt of antidumping and countervailing duty petitions filed with the Commission and Commerce by the American Glass Packaging Coalition, Tampa, Florida, and Chicago, Illinois. The Commission scheduled the final phase of the investigation following notification of a preliminary determination by Commerce that imports of glass containers from China were being subsidized within the meaning of section 703(b) of the Act (19 U.S.C. 1671b(b)). Notice of the scheduling of the final phase of the Commission’s investigation and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of March 6, 2020 (85 FR 13183). In light of the restrictions on access to the Commission building due to the COVID–19 pandemic, and in accordance with 19 U.S.C. 1677c(a)(1), the Commission did not conduct an in-person hearing scheduled for May 6, 2020. Instead, the Commission conducted its hearing through a series of written questions, submissions of written testimony, written responses to questions, Commissioner questions and answers along with closing arguments and rebuttal remarks via video conference, and posthearing briefs; all persons who requested the opportunity were permitted to participate.

The Commission made this determination pursuant to section 705(b) of the Act (19 U.S.C. 1671d(b)). It completed and filed its determination in this investigation on June 26, 2020. The views of the Commission are contained in USITC Publication 5068 (June 2020), entitled *Glass Containers from China: Investigation No. 701–TA–630 (Final)*.

By order of the Commission.

Dated: June 26, 2020.

Secretary to the Commission.
