

to serve a copy of that document on each person whose name appears on the official service list for the project. Further, if an intervenor files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

k. *Description of Request:* City of Seattle is requesting Commission approval to replace an existing fuel dock on Diablo Lake with a new fuel dock. The applicant proposes to remove the existing 234-square-foot wooden fuel float, ten-foot-tall access ladder, and onshore fuel dispenser, and replace them with a 600-square-foot float (made of wooden beams, fiberglass grating deck and steel pontoon floats), a gangway, and a fuel dispenser on the float. The existing failing riprap bulkhead on the shoreline at the proposed fuel dock location (25–80 feet northeast of the existing fuel dock) would be replaced with a prefabricated crib wall.

n. *Comments, Protests, or Motions to Intervene:* Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214, respectively. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the

proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

o. *Filing and Service of Documents:* Any filing must (1) bear in all capital letters the title "COMMENTS", "PROTEST", or "MOTION TO INTERVENE" as applicable; (2) set forth in the heading the name of the applicant and the project number of the application to which the filing responds; (3) furnish the name, address, and telephone number of the person commenting, protesting or intervening; and (4) otherwise comply with the requirements of 18 CFR 385.2001 through 385.2005. All comments, motions to intervene, or protests must set forth their evidentiary basis. Any filing made by an intervenor must be accompanied by proof of service on all persons listed in the service list prepared by the Commission in this proceeding, in accordance with 18 CFR 385.2010.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Project No. 2299–082; Project No. 14581–002]

Turlock Irrigation District; Modesto Irrigation District; Notice of Availability of the Final Environmental Impact Statement for the Don Pedro and La Grange Projects

In accordance with the National Environmental Policy Act of 1969 and the Federal Energy Regulatory Commission's (Commission) regulations, 18 CFR part 380, the Office of Energy Projects has reviewed the applications for new license for the Don Pedro Project (FERC No. 2299) and for an original license for the La Grange Project (FERC No. 14581) and has prepared a final environmental impact statement (EIS) for the projects. The Don Pedro Project is located on the Tuolumne River in Tuolumne County, California. It occupies 4,802 acres of federal land administered by the U.S. Department of Interior, Bureau of Land Management. The La Grange Project is located on the Tuolumne River immediately downstream of the Don Pedro Project in Stanislaus and Tuolumne Counties, California. It

occupies 14 acres of federal land administered by BLM.

The final EIS contains staff's evaluations of the applicant's proposals and the alternatives for relicensing the Don Pedro Project and licensing the La Grange Project. The final EIS documents the views of governmental agencies, non-governmental organizations, affected Indian tribes, the public, the license applicants, and Commission staff.
