⁵ ROE Policy Statement, 171 FERC ¶ 61,155 at PP 92–93.

j. *Deadline for filing comments, motions to intervene, and protests:* August 7, 2020.

The Commission strongly encourages electronic filing. Please file comments, motions to intervene, and protests using the Commission's eFiling system at <http://www.ferc.gov/docs-filing/efiling.asp>. Commenters can submit brief comments up to 6,000 characters, without prior registration, using the eComment system at <http://www.ferc.gov/docs-filing/ecomment.asp>. You must include your name and contact information at the end of your comments. For assistance, please contact FERC Online Support at FERCOnlineSupport@ferc.gov, (866) 208–3676 (toll free), or (202) 502–8659 (TTY). The first page of any filing should include docket number P–405–125. Comments emailed to Commission staff are not considered part of the Commission record.

The Commission's Rules of Practice and Procedure require all intervenors filing documents with the Commission to serve a copy of that document on each person whose name appears on the official service list for the project. Further, if an intervenor files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

k. *Description of Request:* Exelon Generating Company, LLC is requesting Commission approval to authorize the Maryland Environmental Service (applicant) to implement a dredging pilot project approximately 5 miles upstream from the Conowingo Dam. The applicant proposes to mobilize the dredging barge at Dorsey Park Boat Launch, mechanically dredge 1,000 cubic yards of sediment from project waters, stockpile the stored sediment at Peach Bottom Road Boat Launch, then transport dried material outside the project boundary for beneficial use within the state of Maryland. The dredging pilot project would result in limited availability of the Dorsey Park Boat Launch to half capacity for 3 weeks and closure of the Peach Bottom Road Boat Launch for up to two months. The proposed dredging pilot project would occur outside the recreational boating season.

l. *Locations of the Application:* In addition to publishing the full text of this document in the **Federal Register**, the Commission provides all interested persons an opportunity to view and/or print the contents of this document via the internet through the Commission's Home Page (<http://www.ferc.gov>) using
