**AGENCY:** Federal Highway Administration (FHWA), Department of Transportation (DOT).

**ACTION:** Notice of limitation on claims for Judicial Review of actions by the California Department of Transportation (Caltrans).

**SUMMARY:** The FHWA, on behalf of Caltrans, is issuing this notice to announce actions taken by Caltrans, that are final. The actions relate to the proposed Newell Road Bridge Replacement Project (Federal-aid project number BRLS–5100(017)) in the City of Palo Alto, County of Santa Clara, State of California. Those actions grant licenses, permits, and approvals for the project.

**DATES:** By this notice, the FHWA, on behalf of Caltrans, is advising the public of final agency actions subject to 23 U.S.C. 139(l)(1). A claim seeking judicial review of the Federal agency actions on the bridge replacement project will be barred unless the claim is filed on or before December 17, 2020. If the Federal law that authorizes judicial review of a claim provides a time period of less than 150 days for filing such claim, then that shorter time period applies.

for the following bridge replacement project in the State of California.

The City of Palo Alto proposes to replace the existing Newell Road Bridge (37C–0223) between Edgewood Drive in the City of Palo Alto and Woodland Avenue in the City of East Palo Alto with a new two-lane bridge on the existing alignment of Newell Road. Across San Francisquito Creek at Newell Road, the Project would: Maintain connections for vehicular, bicycle, and pedestrian transportation; improve pedestrian and bicycle access; improve safety for all modes of transportation; accommodate increased flows related to San Francisquito Creek improvements to address anticipated flooding risks; and upgrade the channel width beneath the bridge to allow for the 70-year storm event (7,500 cubic feet per second) to pass. The actions by the Federal agencies, and the laws under which such actions were taken, are described in the Final Environmental Impact Report/Environmental Assessment with Finding of No Significant Impact for the project, issued May 21, 2020, and in other documents in Caltrans' project records. The FEA, FONSI, and other project records are available by contacting Caltrans at the addresses provided above. The FEIR/EA, FONSI, and other project records can be viewed and downloaded from the project website at [https://www.cityofpaloalto.org/gov/city\\_information/projects/newell\\_road\\_bridge\\_replacement\\_project.asp](https://www.cityofpaloalto.org/gov/city_information/projects/newell_road_bridge_replacement_project.asp).
