**AGENCY:** Office of the United States Trade Representative.

**ACTION:** Notice.

**SUMMARY:** The Office of the United States Trade Representative is providing notice of country-by-country allocations of the Fiscal Year (FY) 2021 (October 1, 2020 through September 30, 2021) in-quota quantity of the tariff-rate quotas (TRQs) for imported raw cane sugar, certain sugars, syrups and molasses (also known as refined sugar), specialty sugar, and sugar-containing products.

**DATES:** The changes made by this notice are applicable as of July 22, 2020.

**FOR FURTHER INFORMATION CONTACT:** Erin Nicholson, Office of Agricultural Affairs, at 202-395-9419, or [Erin.H.Nicholson@ustr.eop.gov](mailto:Erin.H.Nicholson@ustr.eop.gov).

**SUPPLEMENTARY INFORMATION:** Pursuant to Additional U.S. Note 5 to Chapter 17 of the Harmonized Tariff Schedule of the United States (HTSUS), the United

States maintains TRQs for imports of raw cane sugar and refined sugar. Pursuant to Additional U.S. Note 8 to Chapter 17 of the HTSUS, the United States maintains a TRQ for imports of sugar-containing products.

Section 404(d)(3) of the Uruguay Round Agreements Act (19 U.S.C. 3601(d)(3)) authorizes the President to allocate the in-quota quantity of a TRQ for any agricultural product among supplying countries or customs areas. The President delegated this authority to the U.S. Trade Representative under Presidential Proclamation 6763 (60 FR 1007).

On July 9, 2020, the Secretary of Agriculture (Secretary) announced the sugar program provisions for FY2021. The Secretary announced an in-quota quantity of the TRQ for raw cane sugar for FY2021 of 1,117,195 metric tons raw value (MTRV) (conversion factor: 1 metric ton raw value = 1.10231125 short tons raw value), which is the minimum amount the United States is committed to under the World Trade Organization (WTO) Uruguay Round Agreements. The U.S. Trade Representative is allocating this quantity (1,117,195 MTRV) to the following countries in the amounts specified below:

These allocations are based on the countries' historical shipments to the

United States. The allocations of the in-quota quantities of the raw cane sugar TRQ to countries that are net importers of sugar are conditioned on receipt of the appropriate verifications of origin, and certificates for quota eligibility must accompany imports from any country for which an allocation has been provided.

On July 9, 2020, the Secretary also announced the establishment of the in-quota quantity of the FY2021 refined sugar TRQ at 162,000 MTRV for which the sucrose content, by weight in the dry state, must have a polarimeter reading of 99.5 degrees or more. This amount includes the minimum level to which the United States is committed under the WTO Uruguay Round Agreements (22,000 MTRV of which 1,656 MTRV is reserved for specialty sugar) and an additional 140,000 MTRV for specialty sugars. The U.S. Trade Representative is allocating the refined sugar TRQ as follows: 10,300 MTRV of refined sugar to Canada, 2,954 MTRV to Mexico, and 7,090 MTRV to be administered on a first-come, first-served basis.

Imports of all specialty sugar will be administered on a first-come, first-served basis in five tranches. The Secretary has announced that the total in-quota quantity of specialty sugar will be the 1,656 MTRV included in the WTO minimum plus an additional 140,000 MTRV. The first tranche of 1,656 MTRV will open on October 1, 2020. All types of specialty sugars are eligible for entry under this tranche. The second tranche of 40,000 MTRV will open on October 8, 2020. The third tranche of 40,000 MTRV will open on January 21, 2021. The fourth tranche of 30,000 MTRV will open on April 15, 2021. The fifth tranche of 30,000 MTRV will open on July 15, 2021. The second, third, fourth, and fifth tranches are reserved for organic sugar and other specialty sugars not currently produced commercially in the United States or reasonably available from domestic sources.

With respect to the in-quota quantity of 64,709 metric tons (MT) of the TRQ for imports of certain sugar-containing products maintained under Additional U.S. Note 8 to chapter 17 of the HTSUS, the U.S. Trade Representative is allocating 59,250 MT to Canada. The remainder of the in-quota quantity, 5,459 MT is available for other countries on a first-come, first-served basis.

Raw cane sugar, refined and specialty sugar and sugar-containing products for

FY2021 TRQs may enter the United States as of October 1, 2020.

**SUPPLEMENTARY INFORMATION:**

**I. Background**

USTR and the Departments of Commerce and Agriculture will convene public hearings to hear firsthand from interested persons regarding trade-distorting policies that may be affecting seasonal and perishable products in U.S. commerce. The public hearings will be viewable online and USTR will provide information about viewing the hearings before the hearing dates. USTR invites all interested persons to participate in the hearings, but slots to participate may be limited due to time constraints and the number of requests. Unless circumstances warrant otherwise, USTR will process requests to participate and provide testimony at the hearing on a first come, first served basis. Instructions on how to submit a request to participate at the hearing are in section II below.

USTR invites comments and supporting documentation from interested persons on the following issues:

- Trade distorting policies that may be contributing to unfair pricing in the U.S. market and causing harm to U.S. seasonal and perishable producers in U.S. commerce.
- How the Administration can better support these producers and redress unfair harm.

**II. Hearing Participation—Submission Requirements**

The instructions for submitting requests to participate at the hearings and to make written submissions are the same as those included in the March 10, 2020 **Federal Register** notice (85 FR 13973) (March FRN) announcing hearing dates that were postponed due to COVID–19. Those instructions are included below with new deadlines. Please note the following:

- To ensure that USTR has a correct count of requests to testify, everyone who wants to participate in the virtual hearings in August must submit a request to testify by the July 27, 2020, 11:59 p.m. EST deadline. This applies to those who submitted a request to participate pursuant to the March FRN. If you submitted a request to testify pursuant to the March FRN but do not want to testify virtually at an August hearing, you do not need to take any further action.
- You do not have to resubmit written submissions that you submitted in response to the March FRN. You can update or supplement a prior submission, by following the instructions for written statements below.
- All parties who would like to provide testimony during either hearing
