

information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: CARES Act 18004(a)(3) Budget and Expenditure Reporting.

OMB Control Number: 1840-NEW.

Type of Review: A new information collection.

Respondents/Affected Public: State, Local and Tribal Organizations; Private Sector.

Total Estimated Number of Annual Responses: 538.

Total Estimated Number of Annual Burden Hours: 1,076.

Abstract: Section 18004(a)(3) of the CARES Act authorizes the Secretary to allocate funds for part B of Title VII of the HEA, for institutions of higher education that the Secretary determines have the greatest unmet needs related to coronavirus. This collection includes a budget and expenditure reporting form for institutions potentially eligible for funds under this section.

Additional Information: An emergency clearance approval for the use of the system is described below due to the following conditions: If this emergency collection is not approved, the Department will be unable to issue these awards in a timely manner. These awards are particularly needed by IHEs that have experienced the greatest economic and educational disruptions caused by 2019-nCoV in order to support their recovery.

DEPARTMENT OF EDUCATION

[Docket No. ED-2020-SCC-0077]

Certification and Agreement for the ESSER Fund Application; ED-2020-SCC-0077; Correction

AGENCY: Office of Elementary and Secondary Education (OESE), Department of Education (ED).

ACTION: Correction notice.

SUMMARY: On June 16, 2020, the U.S. Department of Education published a 60-day comment period notice in the **Federal Register** (Vol. 85, No 116, Page 36385, Column 1, 2 and 3) seeking public comment for an information collection entitled, "Certification and Agreement for the ESSER Fund Application." The total estimated number of annual burden hours of 260 was incorrect, and the correct number is 76,653 to include the LEA burden from the approved emergency collection under 1810-0744. The burden that relates to the Equitable Services Interim Final Rule will now be part of the 1810-0743 information collection.

The PRA Coordinator, Strategic Collections and Clearance Governance and Strategy Division, Office of Chief Data Officer, hereby issues a correction notice as required by the Paperwork Reduction Act of 1995.

Dated: July 16, 2020.

SUPPLEMENTARY INFORMATION:

Summary of Change in Control

DECP states that 75% of its limited partnership interest is currently owned by Dominion MLP Holding Company II, LLC (Dominion MLP Holding), a Virginia limited liability company that is a wholly-owned, direct subsidiary of Dominion Energy Gas Holdings, LLC, which in turn is a wholly-owned subsidiary of Dominion Energy, Inc. (DEI). The remaining 25% of DECP's limited partnership interest is owned by Bowie Acquisitions LLC, an affiliate of Brookfield Asset Management Inc. (Brookfield). The general partnership interest in DECP is currently held by Cove Point GP Holding Company, LLC (Cove Point GP), a Delaware limited liability company and a wholly-owned,

direct subsidiary of Dominion MLP Holding.

DECP provides notification of a planned transaction in which Berkshire Hathaway Energy Company (BHE), an Iowa corporation and a subsidiary of Berkshire Hathaway Inc. (a Delaware corporation), will acquire indirect ownership and control of 100% of the general partnership interests of DECP, as well as 25% of DECP's limited partnership interests. DECP states that 50% of its limited partnership interest will continue to be owned directly or indirectly by DEI. Brookfield will continue to own the remaining 25% of DECP's limited partnership interest through Bowie Acquisitions LLC.

According to DECP, BHE is acquiring these interests in DECP as part of a larger transaction, with an enterprise value of approximately \$9.7 billion, involving the acquisition by BHE of a number of subsidiaries of DEI, pursuant to a Purchase and Sale Agreement dated as of July 3, 2020. DECP states that BHE generally will have day-to-day management and control of DECP. DECP will remain the holder of the export authorizations.

Additional details can be found in DECP's Notice, posted on the DOE/FE website at: https://www.energy.gov/sites/prod/files/2020/07/f76/DECP_BHE_DOE_CIC_filing.pdf

DOE/FE Evaluation

DOE/FE will review DECP's Notice in accordance with its Procedures for Changes in Control Affecting Applications and Authorizations to Import or Export Natural Gas (CIC Procedures).¹ Consistent with the CIC Procedures, this notice addresses DECP's authorizations to export liquefied natural gas (LNG) to non-free trade agreement (non-FTA) countries, granted in DOE/FE Order Nos. 3331-A² (FE Docket No. 11-128-LNG) and 4508 (FE Docket No. 19-156-LNG).³ If no interested person protests the change in control and DOE takes no action on its own motion, the proposed change in control will be deemed granted 30 days after publication in the **Federal Register**. If one or more protests are submitted, DOE will review any motions to intervene, protests, and answers, and will issue a determination

as to whether the proposed change in control has been demonstrated to render the underlying authorization inconsistent with the public interest.

Public Comment Procedures

Interested persons will be provided 15 days from the date of publication of this notice in the **Federal Register** in order to move to intervene, protest, and answer DECP's Notice.⁴ Protests, motions to intervene, notices of intervention, and written comments are invited in response to this notice only as to the change in control described in DECP's Notice. All protests, comments, motions to intervene, or notices of intervention must meet the requirements specified by DOE's regulations in 10 CFR part 590.

Filings may be submitted using one of the following methods: (1) Preferred method: emailing the filing to fergas@hq.doe.gov; (2) mailing an original and three paper copies of the filing to the Office of Regulation, Analysis, and Engagement at the address listed in **ADDRESSES**; or (3) hand delivering an original and three paper copies of the filing to the Office of Regulation, Analysis, and Engagement at the address listed in **ADDRESSES**. All filings must include a reference to the individual FE Docket Number(s) in the title line, or Dominion Energy Cove Point LNG, LP Change in Control in the title line. *Please Note:* If submitting a filing via email, please include all related documents and attachments (e.g., exhibits) in the original email correspondence. Please do not include any active hyperlinks or password protection in any of the documents or attachments related to the filing. All electronic filings submitted to DOE must follow these guidelines to ensure that all documents are filed in a timely manner. Any hardcopy filing submitted greater in length than 50 pages must also include, at the time of the filing, a digital copy on disk of the entire submission.

DECP's Notice, and any filed protests, motions to intervene, notices of intervention, and comments, are available for inspection and copying in the Office of Regulation, Analysis, and Engagement docket room, Room 3E-042, 1000 Independence Avenue SW, Washington, DC, 20585. The docket room is open between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday, except Federal holidays.

DECP's Notice, and any filed protests, motions to intervene, notices of

intervention, and comments, will also be available electronically by going to the following DOE/FE Web address: https://fossil.energy.gov/ng_regulation/.

Signed in Washington, DC, on July 17, 2020.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. PF20-1-000]

Northern Natural Gas Company; Notice of Intent To Prepare an Environmental Assessment for the Planned Northern Lights 2021 Expansion Project and Request for Comments on Environmental Issues

The staff of the Federal Energy Regulatory Commission (FERC or Commission) will prepare an environmental assessment (EA) that will discuss the environmental impacts of the Northern Lights 2021 Expansion Project involving construction and operation of facilities by Northern Natural Gas Company (Northern) in Dakota, Scott, Pine, Carleton, and Morrison counties, Minnesota. The Commission will use this EA in its decision-making process to determine whether the project is in the public convenience and necessity.

This notice announces the opening of the scoping process the Commission will use to gather input from the public and interested agencies about issues regarding the project. The National Environmental Policy Act (NEPA) requires the Commission to take into account the environmental impacts that could result from its action whenever it considers the issuance of a Certificate of Public Convenience and Necessity. NEPA also requires the Commission to discover concerns the public may have about proposals. This process is referred to as "scoping." The main goal of the scoping process is to focus the analysis in the EA on the important environmental issues. By this notice, the Commission requests public comments on the scope of issues to address in the EA. To ensure that your comments are timely and properly recorded, please submit your comments so that the Commission receives them in Washington, DC on or before 5:00 p.m. Eastern Time on August 10, 2020.

You can make a difference by submitting your specific comments or

¹ 79 FR 65541 (Nov. 5, 2014).

² DOE/FE Order No. 3331 was subsequently amended by DOE/FE Order Nos. 3331-B and 3331-C.

³ DECP's Notice also applies to its existing authorizations to export LNG to FTA countries and to import natural gas from various international sources, but DOE/FE will respond to those portions of the document separately pursuant to the CIC Procedures, 79 FR 65542.

⁴ Intervention, if granted, would constitute intervention only in the change in control portion of this proceeding, as described herein.
