SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-186, OMB Control No. 3235-0186]

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Revision: Form N-8B-2

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Form N-8B-2 (17 CFR 274.12) is the form used by unit investment trusts

("UITs") other than separate accounts that are currently issuing securities, including UITs that are issuers of periodic payment plan certificates and UITs of which a management investment company is the sponsor or depositor, to comply with the filing and disclosure requirements imposed by section 8(b) of the Investment Company Act of 1940 (15 U.S.C. 80a-8(b)). Form N-8B-2 requires disclosure about the organization of a UIT, its securities, the personnel and affiliated persons of the depositor, the distribution and redemption of securities, the trustee or custodian, and financial statements. The Commission uses the information provided in the collection of information to determine compliance with section 8(b) of the Investment Company Act.

Each registrant subject to the Form N-8B-2 filing requirement files Form N-8B-2 for its initial filing and does not file post-effective amendments on Form N-8B-2.¹ The Commission staff estimates that approximately one respondent files one Form N-8B-2 filing annually with the Commission. Based on form amendments to include formatting and hyperlinking requirements to Form N-8B-2 arising from the adoption of the FAST Act release,² staff estimates that the burden for compliance with Form N-8B-2 is approximately 28 hours per filing.³ The total hourly burden for the Form N-8B-2 filing requirement therefore is 28 hours in the aggregate (1 respondent × one filing per respondent × 28 hours per filing), at an internal cost burden of \$9,912, and external cost burden of \$10,300.

Estimates of the burden hours are made solely for the purposes of the PRA and are not derived from a comprehensive or even a representative survey or study of the costs of SEC rules and forms. The information provided on Form N-8B-2 is mandatory. The information provided on Form N-8B-2 will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it

¹ Post-effective amendments are filed with the Commission on the UIT's Form S-6. Hence, respondents only file Form N-8B-2 for their initial registration statement and not for post-effective amendments.

³ Staff estimates are also adjusted to reflect new disclosures for UIT ETFs arising from the adoption of the Exchange-Traded Funds release. See Exchange-Traded Funds, Investment Company Act Release No. 33646 (Sept. 25, 2019) [84 FR 57162 (Oct. 24, 2019)].

displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, C/O Cynthia Roscoe, 100 F Street NE, Washington, DC 20549; or send an email to: PRA_Mailbox@sec.gov.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-89359; File No. SR-NYSEArca-2020-68]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Update the NYSE Arca Options Fee Schedule

July 21, 2020.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act"),² and Rule 19b-4 thereunder,³ notice is hereby given that on July 16, 2020 NYSE Arca, Inc. ("NYSE Arca" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

¹ 15 U.S.C. 78s(b)(1).

² 15 U.S.C. 78a.

³ 17 CFR 240.19b-4.

¹⁰ 17 CFR 200.30-3(a)(12).

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to modify its rules to conform the terminology in the NYSE Arca Options Fee Schedule ("Fee Schedule") to Rule 6.72A-O (Requirements for Penny Interval Program), which permits quoting in penny increments for certain option classes on a permanent basis. The proposed rule change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to modify its rules to conform the terminology in the Fee Schedule to Rule 6.72A-O (Requirements for Penny Interval Program), which permits quoting in penny increments for certain option classes on a permanent basis. In sum, the Exchange proposes to define "Penny" and "non-Penny" issues, with cross-reference to Rule 6.72A-O and to eliminate from the Fee Schedule obsolete references to the "Pilot" program. This filing is technical in nature as it merely updates the nomenclature regarding transactions in Penny and non-Penny issues and does not modify any associated fees or credits for such transactions.

Background

On April 1, 2020, the U.S. Securities and Exchange Commission (the "Commission") approved Amendment No. 5 to the Plan for the Purpose of Developing and Implementing Procedures Designed to Facilitate the Listing and Trading of Standardized Options to Adopt a Penny Interval

Program ("Amendment No. 5").⁴ The Exchange then filed to conform its rules—including Rule 6.27A-O—to Amendment No. 5, which rules (like Amendment No. 5) became operative July 1, 2020 (the "Penny Program").⁵ The Penny Pilot, which was adopted in 2007 and extended and expanded over the years, expired by its own terms on June 30, 2020.⁶

Proposed Changes

The Exchange proposes to modify the terminology in the Fee Schedule to align with the terminology in the Penny Program by adding new definitions for "Penny" and "non-Penny" issues and eliminating all references to "Pilot."⁷ As proposed, a "Penny" issue or class refers to option classes that participate in the Penny Interval Program, as described in Rule 6.72A-O" and a "non-Penny" issue or class refers to option classes that do not participate in the Penny Interval Program, as described in Rule 6.72A-O."⁸

Consistent with the foregoing, the Exchange proposes to eliminate from the Fee Schedule all references to "Pilot" as that term relates to the "Penny Pilot" because such references became obsolete as of July 1, 2020.⁹

For consistency in usage and terminology, the Exchange proposes to modify references to "non-Penny" in existing text to consistently hyphenate and utilize a lower case "n" to denote the term except when it is used in a section or column heading, which would add clarity, transparency and internal consistency.¹⁰

⁶ See Securities Exchange Act Release No. 87610 (November 25, 2019) 84 FR 66047 (December 2, 2019) (NYSEArca-2019-83).

⁷ See generally proposed Fee Schedule, NYSE Arca OPTIONS: TRADE-RELATED CHARGES FOR STANDARD OPTIONS and NYSE Arca OPTIONS: GENERAL.

⁸ See proposed Fee Schedule, NYSE Arca OPTIONS: TRADE-RELATED CHARGES FOR STANDARD OPTIONS.

⁹ See proposed Fee Schedule, NYSE Arca OPTIONS: TRADE-RELATED CHARGES FOR STANDARD OPTIONS (deleting reference to "Pilot" throughout) and NYSE Arca OPTIONS: GENERAL, Endnote 6 (deleting reference to "Pilot" and including a reference to Penny Interval Program and cross reference to Rule 6.72A-O).

¹⁰ See generally proposed Fee Schedule, NYSE Arca OPTIONS: TRADE-RELATED CHARGES FOR STANDARD OPTIONS.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Securities Exchange Act of 1934 (the "Act"),¹¹ in general, and furthers the objectives of Section 6(b)(5) of the Act,¹² in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

In particular, the proposed rule change, which conforms the terminology in the Fee Schedule to Rule 6.72A-O, promotes just and equitable principles of trade because it does not alter any existing fees or credits but instead is technical in nature insofar as it adopts new definitions for "Penny" and "non-Penny" issues, consistent with Exchange rules, and removes references to the now-expired (Penny) "Pilot." This proposed change would provide internal consistency within Exchange rules and operate to protect investors and the investing public by making the Exchange rules easier to navigate and comprehend. The proposed change would render the rules more accurate and reduce potential investor confusion, thus helping to facilitate the maintenance of a fair and orderly market.

Regarding the proposed technical changes (*see supra* notes 9 and 10), the Exchange believes the changes would add clarity and transparency to the Fee Schedule making it easier to navigate and comprehend to the benefit of all market participants.

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act, the Exchange does not believe that the proposed rule change would impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposal, which modifies the terminology in the Fee Schedule to align with the terminology in the Exchange's rules, is not a competitive filing. Instead, the proposed change is meant to add clarity and transparency to the Fee Schedule to the benefit of all market participants that trade on the Exchange. Given the technical nature of this filing, the Exchange anticipates that other options exchanges will similarly update their fee schedules (as needed) to align

¹² 15 U.S.C. 78f(b)(5).

with any rule(s) adopted in conformance with Amendment No. 5.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act¹³ and Rule 19b-4(f)(6) thereunder.¹⁴ Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁵ and Rule 19b-4(f)(6)¹⁶ thereunder. The Exchange has proposed to implement the proposed rule change immediately upon filing and has asked the Commission to waive the 30-day operative delay for this filing.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because it will allow the Exchange to modify the terminology in its fee schedule to conform it to the Penny Program, which is currently described in NYSE Arca Rule 6.72A-O. The proposed rule change does not raise any novel issues and is technical in nature as it is designed to update the language in the Exchange's fee schedule to reflect the language used throughout the Exchange's rulebook. The Commission believes that the proposed rule change proposes ministerial changes which are designed to alleviate the potential for investor confusion. Accordingly, the Commission designates the proposed rule change as operative upon filing.¹⁷

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments
