

Conservation and Management Act (MSA), the Endangered Species Act (ESA), and the Marine Mammal Protection Act (MMPA).

IV. Request for Comments

We are soliciting public comments to permit NOAA to: (a) Evaluate whether the proposed information collection is necessary for the proper functions of the Agency, including whether the information will have practical utility; (b) Evaluate the accuracy of our estimate of the time and cost burden for this proposed collection, including the validity of the methodology and assumptions used; (c) Evaluate ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you may ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Sheleen Dumas,

Department PRA Clearance Officer, Office of the Chief Information Officer, Commerce Department.

BILLING CODE 3510-22-P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Vessel Monitoring System Requirements for the Pacific Islands Fisheries

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication

of this notice. We invite the general public and other Federal agencies to comment on proposed and continuing information collections, which help us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on May 7, 2020, during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: National Oceanic and Atmospheric Association (NOAA).

Title: Vessel Monitoring System Requirements for the Pacific Islands Fisheries.

OMB Control Number: 0648-0441.

Form Number(s): None.

Type of Request: Regular submission (extension of a current information collection).

Number of Respondents: 180.

Average Hours per Response: Observe initial installation—4 hours; Observe VMS replacement—2 hours; Observe VMS unit maintenance and repair—1.5 hours; Position reports—0 hours (automatic).

Total Annual Burden Hours: 170.

Needs and Uses: Owners of commercial fishing vessels in the Hawaii pelagic longline fishery, American Samoa pelagic longline fishery (only vessels longer than 50 feet), Northwestern Hawaiian Islands lobster fishery (currently inactive), and Northern Mariana Islands bottomfish fishery (only vessels longer than 40 feet) must allow the National Oceanic and Atmospheric Administration (NOAA) to install vessel monitoring system (VMS) units on their vessels when directed to do so by NOAA enforcement personnel. VMS units automatically send periodic reports on the position of the vessel. NOAA uses the reports to monitor the vessels' location and activities, primarily to enforce regulated fishing areas. NOAA pays for the units, installation, maintenance, and messaging. There is no public burden for the automatic messaging; however, the time required for VMS installation and annual maintenance are considered public burden.

Affected Public: Individuals or households; Business or other for-profit organizations.

Frequency: Hourly.

Respondent's Obligation: Mandatory.

Legal Authority: 50 CFR 665.16.

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed

information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function and entering either the title of the collection or the OMB Control Number 0648-0441.

Sheleen Dumas,

Department PRA Clearance Officer, Office of the Chief Information Officer, Commerce Department.

BILLING CODE 3510-22-P

COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

Procurement List; Deletions

AGENCY: Committee for Purchase From People Who Are Blind or Severely Disabled.

ACTION: Deletions from the Procurement List.

SUMMARY: This action deletes products from the Procurement List that were furnished by nonprofit agencies employing persons who are blind or have other severe disabilities.

DATES: *Date deleted from the Procurement List:* August 30, 2020.

ADDRESSES: Committee for Purchase From People Who Are Blind or Severely Disabled, 1401 S Clark Street, Suite 715, Arlington, Virginia 22202-4149.

FOR FURTHER INFORMATION CONTACT: Michael R. Jurkowski, Telephone: (703) 603-2117, Fax: (703) 603-0655, or email CMTEFedReg@AbilityOne.gov.

SUPPLEMENTARY INFORMATION:

Deletions

On 6/26/2020, the Committee for Purchase From People Who Are Blind or Severely Disabled published notice of proposed deletions from the Procurement List. This notice is published pursuant to 41 U.S.C. 8503(a)(2) and 41 CFR 51-2.3.

After consideration of the relevant matter presented, the Committee has determined that the products listed below are no longer suitable for procurement by the Federal Government under 41 U.S.C. 8501-8506 and 41 CFR 51-2.4.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities.

The major factors considered for this certification were:

1. The action will not result in additional reporting, recordkeeping or other compliance requirements for small entities.

2. The action may result in authorizing small entities to furnish the products to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 8501–8506) in connection with the products deleted from the Procurement List.

End of Certification

Accordingly, the following products are deleted from the Procurement List:

Product

NSN(s)—Product Name(s):

1670–01–235–0923—Deployment Bag, Parachute

Mandatory Source of Supply: Huntsville Rehabilitation Foundation, Huntsville, AL

Contracting Activity: DLA AVIATION, RICHMOND, VA

Michael R. Jurkowski,

Deputy Director, Business & PL Operations.

BILLING CODE 6353–01–P

DEPARTMENT OF DEFENSE

Department of the Army, Army Corps of Engineers

Notice of Intent To Prepare a Draft Supplemental Environmental Impact Statement/Environmental Impact Report for the American River Common Features Project, American River Erosion Protection and Arden Pond Mitigation Components (Sacramento County, California), as Authorized Under the Water Resources Development Act of 2016

AGENCY: Department of the Army, U.S. Army Corps of Engineers, DoD.

ACTION: Notice of intent.

SUMMARY: The U.S. Army Corps of Engineers (USACE), Sacramento District, the State of California, and Central Valley Flood Protection Board (CVFPB) are preparing a Draft Supplemental Environmental Impact Statement/Environmental Impact Report (Draft Supplemental EIS/EIR) for the American River Contract 2 (Proposed Action) of the American River Common Features (ARCF) Levee Improvement Project authorized by the Water Resources Development Act of 2016. This Draft Supplemental EIS/EIR supplements the ARCF General

Reevaluation Report (GRR) Final EIS/EIR (May 2016). The Proposed Action includes constructing erosion protection measures at Lower American River (LAR) sites 2–2 (river mile 7.5 right bank), and 2–3 (river mile 5.9 right bank), transporting excavated materials from site 2–3 to the Arden Pond mitigation site for construction of shallow water fish habitat for juvenile salmon, construction of a berm to separate the restored Arden Pond from the adjacent bass pond, and planting of emergent and riparian vegetation to provide Shaded Riverine Aquatic (SRA) habitat. The Proposed Action is necessary to protect the levee from erosion damage that could reduce its reliability to protect against flooding, and to mitigate loss of fish and riparian habitat for the American River Common Features Project Endangered Species Act consultation requirements.

Conceptual components of the Proposed Action were analyzed (erosion protection measures) in the ARCF GRR Final EIS/EIR, but some elements of the Proposed Action (Arden Pond and SRA habitat mitigation) were not analyzed in the ARCF GRR Final EIS/EIR because habitat mitigation locations and designs were still in formulation at the time the Final EIS/EIR was completed. The USACE has now developed levee erosion protection and habitat mitigation designs in sufficient detail to analyze their environmental effects.

DATES: Written comments regarding the scope of the environmental analysis should be received by August 31, 2020.

ADDRESSES: Written comments and suggestions concerning this Project and requests to be included on the Project mailing list may be submitted to Ms. Andrea Meier, U.S. Army Corps of Engineers, Sacramento District, Attn: Planning Division (CESPK–PDR), 1325 J Street, Sacramento, CA 95814.

FOR FURTHER INFORMATION CONTACT: Questions about the Proposed Action and draft Supplemental EIS/EIR may be addressed to Ms. Andrea Meier at (916) 557–7206, email at Andrea.J.Meier@usace.army.mil, or by mail at 1325 J Street, Sacramento, CA 95814 (see **ADDRESS**). Additional information will also be posted periodically on the internet under the American River Contract 2 web page at: www.sacleveeupgrades.com.

SUPPLEMENTARY INFORMATION:

1. *Proposed Action.* The USACE is preparing a Supplemental Environmental Impact Statement (SEIS)/Supplemental Environmental Impact Report (SEIR) to analyze environmental impacts of the authorized erosion protection and habitat mitigation

components of the larger ARCF 2016 levee improvement project. The Proposed Action includes constructing erosion countermeasures at LAR sites 2–2 and 2–3, transporting excavated materials from site 2–3 to Arden Pond, and construction of the Arden Pond mitigation site. Bench excavation at LAR site 2–3 would provide fill material for the 18-acre Arden Pond mitigation site and fill material to construct a berm to separate the mitigation area from the remaining 8.3-acre bass pond. The project will be implemented as American River Contract 2.

2. *Alternatives.* Alternatives that may be considered include: (1) Construction of erosion protection measures at LAR site 2–2 and excavation of the bench at LAR 2–3; (2) habitat restoration at Arden Pond; and (3) the required No Action Alternative.

3. *Scoping Process.*

a. A public scoping meeting will be held in the form of a teleconference and/or webinar to present an overview of the American River Erosion Protection and Arden Pond Mitigation Projects, the Proposed Action and the alternatives that have been identified, and the Supplemental EIS/EIR process. Scoping will afford all interested parties an opportunity to comment on the scope of analysis in the draft document. The public scoping webinar will be held in August 2020. Exact date, time, registration details, additional information, and any schedule changes will be announced online at: www.sacleveeupgrades.com.

b. Potentially significant issues to be analyzed in depth in the Draft Supplemental EIS/EIR include: Impacts to water quality, air quality, climate change, special status species, terrestrial vegetation and wildlife, recreation, traffic and circulation, noise, aesthetic and visual resources, and cultural resources. The document will also evaluate the Proposed Action's anticipated cumulative effects.

c. The USACE will consult with the National Marine Fisheries Service and U.S. Fish and Wildlife Service to comply with the Endangered Species Act and the Fish and Wildlife Coordination Act. The USACE will also consult with the State Historic Preservation Officer and Native American Tribes to comply with the National Historic Preservation Act.

d. A 45-day public review period will be provided for individuals, interested parties, and agencies to review and comment on the Draft Supplemental EIS/EIR. All interested parties are encouraged to respond to this notice and provide a current address if they
