

respect to the 89 companies in the petitioner's administrative review request.<sup>4</sup> On July 7, 2020, the petitioner timely withdrew its request for an administrative review for all 89 companies.<sup>5</sup>

### Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party which requested a review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. The party which requested an administrative review withdrew its request for review for all companies by the 90-day deadline, and no other party requested an administrative review of this order. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding the administrative review of the antidumping duty order on silica fabric from China covering the period March 1, 2019, through February 29, 2020, in its entirety.

### Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice in the **Federal Register**.

### Notification to Importers

This notice serves as a final reminder to importers of their responsibility, under 19 CFR 351.402(f)(2), to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement may result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

### Notification Regarding Administrative Protective Orders

This notice serves as a final reminder to parties subject to administrative protective order (APO) of their

responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: July 24, 2020.

#### SUPPLEMENTARY INFORMATION:

##### Background

Commerce published the notice of initiation of this administrative review on July 15, 2019, covering 257 companies, based on requests from the Aluminum Extrusions Fair Trade Committee (petitioner) and Endura Products Inc. (Endura).<sup>1</sup> On October 15,

2019, the petitioner and Endura withdrew their requests for review for all but the following nine companies: (1) Activa International Inc. (Activa); (2) Changzhou Tenglong Auto Parts Co. Ltd. (Changzhou Tenglong); (3) CRRC Changzhou Auto Parts Co. Ltd. (CRRC); (4) Dongguan Aoda Aluminum Co. Ltd. (Dongguan Aoda); (5) Guangdong Xingfa Aluminum Co., Ltd. (Guangdong Xingfa); (6) Precision Metal Works Ltd. (Precision Metal); (7) Shenyang Yuanda Aluminum Industry Engineering Co. Ltd. (Shenyang Yuanda); (8) Summit Heat Sinks Metal Co, Ltd. (Summit); and (9) Wenzhou Yongtai Electric Co. Ltd. (Wenzhou Yongtai).<sup>2</sup> Between January 27, 2020 and February 6, 2020, Commerce extended the deadline for the preliminary results.<sup>3</sup> On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days, thereby extending the deadline for these results until July 20, 2020.<sup>4</sup>

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum, which is dated concurrently with, and hereby adopted by, this notice.<sup>5</sup> A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix I to this notice. <sup>4</sup> See Memorandum, "Tolling of Deadlines for Antidumping and Countervailing Duty Administrative Reviews in Response to Operational Adjustments Due to COVID-19," dated April 24, 2020. Commerce's practice dictates that where a deadline falls on a weekend or federal holiday, the appropriate deadline is the next business day. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005). Because the 50-day extension would result in the signature date being on a weekend, the deadline moves to the next business day, Monday, July 20, 2020.

### Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For purposes of this review, Commerce preliminarily finds that all programs previously countervailed in prior segments of this proceeding, remain countervailable—that is, they provide a financial contribution within the meaning of sections 771(5)(B)(i) and (D) of the Act, confer a benefit within the meaning of section 771(5)(B) of the

<sup>6</sup> See Preliminary Decision Memorandum for a complete description of the scope of the order.

Act, and are specific within the meaning of 771(5A) of the Act.

For a full description of the methodology underlying our preliminary conclusions, including our reliance on adverse facts available pursuant to sections 776(a) and (b) of the Act, see the Preliminary Decision Memorandum. As explained in the Preliminary Decision Memorandum, Commerce relied on adverse facts available because the Government of China (GOC) and seven of the nine companies that remain under review (*i.e.*, Activa, CRRC, Guangdong Xingfa, Precision Metal, Shenyang Yuanda, Summit, Wenzhou Yongtai) did not act to the best of their ability in responding to Commerce's requests for information, and consequently, we have drawn an adverse inference, where appropriate, in selecting from among the facts otherwise available.<sup>7</sup> For further information, see "Use of Facts Otherwise Available and Adverse Inferences" in the Preliminary Decision Memorandum.

For the other two companies (*i.e.*, Changzhou Tenglong and Dongguan Aoda), we preliminarily assigned a rate based on the average of the most recently determined rates in a prior segment of this proceeding that are not zero, *de minimis*, or based entirely on facts available.<sup>8</sup> For further information, see "Non-Selected Company Rates" in the Preliminary Decision Memorandum.

### Intent to Rescind Review, In Part

For those companies named in the *Initiation Notice* for which all review requests have been timely withdrawn,<sup>9</sup> we intend to rescind this administrative review in accordance with 19 CFR 351.213(d)(1). These companies are listed at Appendix II to this notice. For these companies, Commerce intends to assess duties at rates equal to the cash deposits of estimated countervailing duties required at the time of entry, or withdrawn from warehouse, for consumption, during the POR, in accordance with 19 CFR 351.212(c)(2).

### Preliminary Results

Commerce preliminarily determines that the following estimated countervailable subsidy rates exist:<sup>10</sup>

<sup>7</sup> See sections 776(a) and (b) of the Act.

### Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily assigned subsidy rates in the amounts shown above for the producer/exporters shown above. Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. We intend to issue assessment instructions to CBP 15 days after publication of the final results of this review.

### Cash Deposit Requirements

Pursuant to section 751(a)(2)(C) of the Act, Commerce also intends upon publication of the final results to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts indicated above for each company listed on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms, we intend to instruct CBP to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Disclosure

Normally, Commerce discloses to interested parties the calculations performed in connection with the preliminary results of review within five days of its public announcement, or if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). However, we

have assigned a net subsidy rate based on total adverse facts available to the seven companies for which requests for review were not withdrawn (each failed to submit a response to Commerce's quantity and value (Q&V) questionnaire), in accordance with section 776 of the Act. For information detailing the derivation of the adverse facts available (AFA) rate applied, see AFA Calculation Memorandum.<sup>11</sup>

### Public Comment

Interested parties may submit written case briefs no later than 30 days after the date of publication of the preliminary results. Rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than seven days after the deadline date for case briefs.<sup>12</sup> Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this investigation are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.<sup>13</sup> Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.<sup>14</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date. Issues addressed at the hearing will be limited to those raised in the briefs.<sup>15</sup> All case and rebuttal briefs and hearing requests must be filed electronically and

received successfully in their entirety through ACCESS by 5:00 p.m. Eastern Time on the due date.

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act, we intend to issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their comments, within 120 days after issuance of these preliminary results.

### Notification to Interested Parties

These preliminary results are issued and published pursuant to sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

#### Certain Metal Lockers and Parts Thereof From the People’s Republic of China: Initiation of Countervailing Duty Investigation

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**DATES:** Applicable July 29, 2020.

**FOR FURTHER INFORMATION CONTACT:** Charles Doss, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–4474.

#### SUPPLEMENTARY INFORMATION:

##### The Petition

On July 9, 2020, the U.S. Department of Commerce (Commerce) received a countervailing duty (CVD) petition concerning imports of certain metal lockers and parts thereof (metal lockers) from the People’s Republic of China (China) filed in proper form on behalf of List Industries, Inc., Lyon LLC, Penco Products, Inc., and Tennsco LLC (collectively, the petitioners), domestic producers of metal lockers.<sup>1</sup> The Petition was accompanied by an antidumping duty (AD) petition concerning imports of metal lockers from China.<sup>2</sup>

On July 13, 2020, Commerce requested supplemental information pertaining to certain aspects of the Petition in separate supplemental questionnaires.<sup>3</sup> Further, on July 22,

<sup>1</sup> See Petitioners’ Letter, “Petitions for the Imposition of Antidumping and Countervailing Duties Against Imports of Certain Metal Lockers and Parts Thereof from the People’s Republic of China,” dated July 9, 2020 (the Petition).

<sup>3</sup> See Commerce’s Letters, “Certain Metal Lockers and Parts Thereof from the People’s Republic of China—Petitions for the Imposition of Antidumping and Countervailing Duties: Supplemental Questions,” and “Certain Metal Lockers and Parts Thereof from the People’s Republic of China—Petitioners’ Response to Supplemental

2020, Commerce held a conversation via telephone with counsel to the petitioners requesting further clarification regarding certain outstanding issues.<sup>4</sup> As part of these requests, Commerce asked that the petitioners provide further information regarding the proposed scope to ensure that the scope language in the Petition is an accurate reflection of the products for which the domestic industry is seeking relief. On July 16, 17, and 23, 2020, the petitioners filed responses to Commerce’s supplemental questionnaires, which included revisions to the scope.<sup>5</sup>

In accordance with section 702(b)(1) of the Tariff Act of 1930, as amended (the Act), the petitioners allege that the Government of China (GOC) is providing countervailable subsidies, within the meaning of sections 701 and 771(5) of the Act, to producers of metal lockers in China and that such imports are materially injuring, or threatening material injury to, the domestic industry producing metal lockers in the United States. Consistent with section 702(b)(1) of the Act and 19 CFR 351.202(b), for those alleged programs on which we are initiating a CVD investigation, the Petition is supported by information reasonably available to the petitioners supporting their allegations.

Commerce finds that the petitioners filed the Petition on behalf of the domestic industry because the petitioners are interested parties as defined in section 771(9)(C) of the Act. Commerce also finds that the petitioners demonstrated sufficient industry support with respect to the initiation of the requested CVD investigation.<sup>6</sup>
