

application as part of your binding commitments under the grant.

3. *Open Licensing Requirements:* Unless an exception applies, if you are awarded a grant under this competition, you will be required to openly license to the public grant deliverables created in whole, or in part, with Department grant funds. When the deliverable consists of modifications to pre-existing works, the license extends only to those modifications that can be separately identified and only to the extent that open licensing is permitted under the terms of any licenses or other legal restrictions on the use of pre-existing works. Additionally, a grantee or subgrantee that is awarded competitive grant funds must have a plan to disseminate these public grant deliverables. This dissemination plan can be developed and submitted after your application has been reviewed and selected for funding. For additional information on the open licensing requirements please refer to 2 CFR 3474.20.

4. *Reporting:* (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multiyear award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

Performance reports for the IRS program must be submitted electronically using the International Resource Information System (IRIS), the International and Foreign Language Education office's web-based reporting system. For information about the system and to view the reporting instructions, please go to <http://iris.ed.gov/iris/pdfs/IRS.pdf>.

(c) Under 34 CFR 75.250(b), the Secretary may provide a grantee with additional funding for data collection analysis and reporting. In this case the Secretary establishes a data collection period.

5. *Performance Measures:* The following performance measures have been established to assess the effectiveness of the IRS program:

1. Percentage of IRS projects that are focused on improving or strengthening K-16 instruction in less commonly taught languages, area studies, or other international fields.

2. Percentage of IRS projects that are focused on the evaluation of the outcomes and effectiveness of Title VI-Fulbright-Hays International Education programs in addressing national needs.

3. Percentage of IRS projects that result in information from IRS studies, surveys, or research on language, area, and international studies being made available and accessible to the public.

4. The cost per IRS project that is focused on improving or strengthening K-16 instruction in modern foreign languages, area studies, and other international fields.

6. *Continuation Awards:* In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: Whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, the performance targets in the grantee's approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

On April 17, 2020, the Secretary delegated to the Assistant Secretary for Career, Technical, and Adult Education (Assistant Secretary), for programs over which the Assistant Secretary has administrative authority, the authority to grant waivers under section 3511 of the CARES Act. On May 15, 2020, the Office of Career, Technical, and Adult Education (OCTAE) published a notice in the **Federal Register** (85 FR 29440) announcing 41 waivers that were granted to SEAs.
