SUPPLEMENTARY INFORMATION:

I. Discussion

The NRC is issuing a revision to an existing guide in the NRC's "Regulatory Guide" series. This series was developed to describe and make available to the public information regarding methods that are acceptable to the NRC staff for implementing specific parts of the agency's regulations, techniques that the NRC staff uses in evaluating specific issues or postulated events, and data that the NRC staff needs in its review of applications for permits and licenses.

Revision 2 of RG 3.15 was issued with a temporary identification of Draft Regulatory Guide (DG)-3036. It describes the standard format and content that the NRC staff considers acceptable for license applications to authorize the receipt, possession, and storage of unirradiated fuel assemblies and associated radioactive materials at a nuclear power plant.

II. Additional Information

The NRC published a notice of the availability of DG-3036 in the **Federal Register** on February 19, 2020 (85 FR 9487) for a 60-day public comment period. The public comment period closed on April 20, 2020. Two comments were received but they resulted in no changes in the technical content of the guide. Public comments on DG-3036 and the staff responses to the public comments are available under ADAMS Accession No. ML20164A213.

III. Congressional Review Act

This RG is a rule as defined in the Congressional Review Act (5 U.S.C. 801-808). However, the Office of Management and Budget has not found it to be a major rule as defined in the Congressional Review Act.

IV. Backfitting, Forward Fitting, and Issue Finality

Issuance of Revision 2 of RG 3.15 does not constitute backfitting as defined in title 10 of the *Code of Federal Regulations* (10 CFR) section 50.109, "Backfitting," and as described in NRC Management Directive (MD) 8.4, "Management of Backfitting, Forward Fitting, Issue Finality, and Information Requests"; constitute forward fitting as that term is defined and described in MD 8.4; or affect the issue finality of any approval issued under 10 CFR part 52, "Licenses, Certificates, and Approvals for Nuclear Powerplants." As explained in the RG, licensees are not required to comply with the positions set forth in Revision 2 of RG 3.15.

Dated: August 4, 2020.

Rule 203–3, Form ADV–H

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for extension of the previously approved collection of information discussed below.

The title for the collection of information is “Form ADV–H under the Investment Advisers Act of 1940.” Rule 203–3 (17 CFR 275.203–3) under the Investment Advisers Act of 1940 (15 U.S.C. 80b) requires that registered advisers requesting either a temporary or continuing hardship exemption submit the request on Form ADV–H. Rule 204–4 (17 CFR 275.204–4) under the Investment Advisers Act of 1940 requires that exempt reporting advisers requesting a temporary hardship exemption submit the request on Form ADV–H. The purpose of this collection of information is to permit advisers to obtain a hardship exemption to not complete an electronic filing. The temporary hardship exemption that is available to registered advisers under rule 203–3 and exempt reporting advisers under rule 204–4 permits these advisers to make late filings due to unforeseen computer or software problems. The continuing hardship exemption available to registered advisers under rule 203–3 permits advisers to submit all required electronic filings on hard copy for data entry by the operator of the IARD.

The Commission has estimated that compliance with the requirement to complete Form ADV–H imposes a total burden of approximately one hour for an adviser. Based on our experience, we estimate that we will receive 15 Form ADV–H filings annually from registered investment advisers and one Form ADV–H filing annually from exempt reporting advisers. Based on the 60 minute per respondent estimate, the Commission estimates a total annual burden of 16 hours for this collection of information.

Rule 203–3, rule 204–4, and Form ADV–H do not require recordkeeping or records retention. The collection of information requirements under the rule and form are mandatory. The information collected pursuant to the rule and Form ADV–H consists of filings with the Commission. These filings are not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection

of information unless it displays a currently valid control number.

The public may view background documentation for this information collection at the following website: www.reginfo.gov. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function. Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to (i) www.reginfo.gov/public/do/PRAMain and (ii) David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o Cynthia Roscoe, 100 F Street NE, Washington, DC 20549, or by sending an email to: PRA_Mailbox@sec.gov.
