In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

*A. Self-Regulatory Organization's
Statement of the Purpose of, and
Statutory Basis for, the Proposed Rule
Change*

1. Purpose

The purpose of this proposed rule change is to amend Chapter 7, Section B of the Rules, the Compliance Rule regarding the CAT NMS Plan, to be consistent with an amendment to the CAT NMS Plan recently approved by the Commission.⁴ The Commission approved an amendment to the CAT NMS Plan to amend the requirements for Firm Designated IDs in four ways: (1) To prohibit the use of account numbers as Firm Designated IDs for trading accounts that are not proprietary accounts; (2) to require that the Firm Designated ID for a trading account be persistent over time for each Industry Member so that a single account may be tracked across time within a single Industry Member; (3) to permit the use of relationship identifiers as Firm Designated IDs in certain circumstances; and (4) to permit the use of entity identifiers as Firm Designated IDs in certain circumstances (the "FDID Amendment"). As a result, the Exchange proposes to amend the definition of "Firm Designated ID" in Rule 4.5 to reflect the changes to the CAT NMS Plan regarding the requirements for Firm Designated IDs.

Rule 4.5(r) defines the term "Firm Designated ID" to mean "a unique identifier for each trading account designated by Industry Members for purposes of providing data to the Central Repository, where each such identifier is unique among all identifiers from any given Industry Member for each business date."

(1) Prohibit Use of Account Numbers

The Exchange proposes to amend the definition of "Firm Designated ID" in Rule 4.5(r) to provide that Industry Members may not use account numbers as the Firm Designated ID for trading accounts that are not proprietary accounts. Specifically, the Exchange proposes to add the following to the definition of a Firm Designated ID: "provided, however, such identifier may not be the account number for such trading account if the trading account is not a proprietary account."

(2) Persistent Firm Designated ID

The Exchange also proposes to amend the definition of "Firm Designated ID" in Rule 4.5(r) to require a Firm Designated ID assigned by an Industry
