

As implemented in SBA's regulations at 13 CFR 121.1202(c), in order to be considered available to participate in the Federal market for a class of products, a small business manufacturer must have submitted a proposal for a contract solicitation or been awarded a contract to supply the class of products within the last 24 months.

The SBA defines "class of products" based on a combination of (1) the six-digit North American Industry Classification System (NAICS) code, (2) the four-digit Product Service Code (PSC), and (3) a description of the class of products.

SBA invites the public to comment on this pending request to waive the NMR for surgical beds. The public may comment or provide source information on any small business manufacturers of this class of products that are available to participate in the Federal market. The public comment period will run for 30 days after the date of publication in the **Federal Register**.

More information on the NMR and class waivers can be found at <https://www.sba.gov/contracting/contracting-officials/non-manufacturer-rule/non-manufacturer-waivers>.

Request for Comments Concerning the Extension of Particular Exclusions Granted Under the \$300 Billion Action Pursuant to Section 301: China's Acts, Policies, and Practices Related to Technology Transfer, Intellectual Property, and Innovation

AGENCY: Office of the United States Trade Representative.

ACTION: Notice and request for comments.

SUMMARY: On August 20, 2019, at the direction of the President, the U.S. Trade Representative determined to modify the action being taken in the Section 301 investigation of China's acts, policies, and practices related to technology transfer, intellectual property, and innovation by imposing additional *ad valorem* duties on goods of China with an annual trade value of approximately \$300 billion. The additional duties on products in List 1, which is set out in Annex A of that action, became effective on September

1, 2019. The U.S. Trade Representative initiated a product exclusion process in October 2019, and has issued seven product exclusion notices under this action and is issuing an eighth notice concurrent with this notice. The product exclusions granted under these notices are scheduled to expire on September 1, 2020. The U.S. Trade Representative decided to consider a possible extension of particular exclusions granted under the first seven product exclusion notices. This notice announces the U.S. Trade Representative's decision to consider a possible extension of particular exclusions granted under the eighth notice of product exclusions.

August 5, 2020: The public docket on the web portal at <https://comments.USTR.gov> opened for parties to submit comments on the possible extension of particular exclusions.

August 20, 2020 at 11:59 p.m. ET: To be assured of consideration, submit written comments on the public docket by this deadline.

SUPPLEMENTARY INFORMATION:

A. Background

For background on the proceedings in this investigation, please see prior notices including 82 FR 40213 (August 24, 2017), 83 FR 14906 (April 6, 2018), 84 FR 22564 (May 17, 2019), 84 FR 43304 (August 20, 2019), 84 FR 45821 (August 30, 2019), 84 FR 57144 (October 24, 2019), 84 FR 69447 (December 18, 2019), 85 FR 3741 (January 22, 2020), 85 FR 13970 (March 10, 2020), 85 FR 15244 (March 17, 2020), 85 FR 17936 (March 31, 2020), 85 FR 28693 (May 13, 2020), 85 FR 32099 (May 28, 2020), 85 FR 35975 (June 12, 2020), 85 FR 38482 (June 26, 2020), 85 FR 41658 (July 10, 2020), 85 FR 43639 (July 17, 2020), and 85 FR 44563 (July 23, 2020).

In a notice published on August 20, 2019, the U.S. Trade Representative, at the direction of the President, announced a determination to modify the action being taken in the Section 301 investigation by imposing an additional 10 percent *ad valorem* duty on products of China with an annual aggregate trade value of approximately \$300 billion. 84 FR 43304 (August 20 notice). The August 20 notice contains two separate lists of tariff subheadings, with two different effective dates. List 1,

which is set out in Annex A of the August 20 notice, was effective on September 1, 2019. List 2, which is set out in Annex C of the August 20 notice, was scheduled to take effect on December 15, 2019. Subsequently, the U.S. Trade Representative announced determinations suspending until further notice the additional duties on products set out in Annex C (List 2) and reducing the additional duties for the products covered in Annex A of the August 20 notice (List 1) to 7.5 percent. *See* 84 FR 57144, 85 FR 3741.

On October 24, 2019, the U.S. Trade Representative established a process by which U.S. stakeholders could request exclusion of particular products classified within an eight-digit Harmonized Tariff Schedule of the United States (HTSUS) subheading covered by List 1 of the \$300 billion action from the additional duties. *See* 84 FR 57144 (October 24 notice). The October 24 notice required submission of requests for exclusion from the \$300 billion action no later than January 31, 2020, and noted that the U.S. Trade Representative periodically would announce decisions. The U.S. Trade Representative has issued seven notices of product exclusions under this action and is issuing an eighth notice concurrent with this notice. These exclusions are scheduled to expire on September 1, 2020.

B. Possible Extensions of Particular Product Exclusions

As noted, the U.S. Trade Representative previously decided to consider a possible extension for up to 12 months of particular exclusions granted under the first seven product exclusion notices under the \$300 billion action. *See* 85 FR 38482 (June 26, 2020), 85 FR 43639 (July 17, 2020), 85 FR 41658 (July 10, 2020), and 85 FR 44563 (July 23, 2020). This notice announces the U.S. Trade Representative's decision to consider a possible extension for up to 12 months of particular exclusions granted under the eighth notice. Accordingly, the Office of the United States Trade Representative (USTR) invites public comments on whether to extend the particular exclusions issued under the eighth notice of product exclusions that is published in the **Federal Register** concurrently with this notice. Public comments regarding the extension of particular exclusions under the previous seven notices must be filed under separate dockets. Specifically, public comments regarding the extension of particular exclusions under the first five notices of product exclusions issued under the \$300 billion action must be filed under docket

USTR–2020–0027. See 85 FR 38482 (June 26, 2020). Public comments regarding the extension of particular exclusions under the sixth and seventh notices of product exclusions issued under the \$300 billion action must be filed under docket USTR–2020–0029. See 85 FR 43639 (July 17, 2020). Public comments regarding the extension of particular exclusions under the eighth notice must be filed under docket USTR–2020–0031.

USTR will evaluate the possible extension of each exclusion on a case-by-case basis. The focus of the evaluation will be whether, despite the first imposition of these additional duties in September 2019, the particular product remains available only from China. In addressing this factor, commenters should address specifically:

- Whether the particular product and/or a comparable product is available from sources in the United States and/or in third countries.
- Any changes in the global supply chain since September 2019 with respect to the particular product or any other relevant industry developments.
- The efforts, if any, the importers or U.S. purchasers have undertaken since September 2019 to source the product from the United States or third countries.

In addition, USTR will continue to consider whether the imposition of additional duties on the products covered by the exclusion will result in severe economic harm to the commenter or other U.S. interests.

C. Procedures To Comment on the Extension of Particular Exclusions

To submit a comment regarding the extension of a particular exclusion granted under the above referenced product exclusion notice under the \$300 billion action, commenters first must register on the portal at <https://comments.USTR.gov>.
