

activity across all markets, such as reviews related to position limit violations and manipulation. Indeed, the Exchange cannot effectively review for such conduct without looking at and evaluating activity regardless of where it transpires. In addition to its own surveillance programs, the Exchange also works with other SROs and exchanges on intermarket surveillance related issues. Through its participation in the Intermarket Surveillance Group (“ISG”)¹⁴ the Exchange shares information and coordinates inquiries and investigations with other exchanges designed to address potential intermarket manipulation and trading abuses. Accordingly, there is a strong nexus between the ORF and the Exchange’s regulatory activities with respect to its Member’s customer trading activity.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. This proposal does not create an unnecessary or inappropriate intra-market burden on competition because the ORF applies to all customer activity, thereby raising regulatory revenue to offset regulatory expenses. It also supplements the regulatory revenue derived from non-customer activity. The Exchange notes, however, the proposed change is not designed to address any competitive issues. Indeed, this proposal does not create an unnecessary or inappropriate inter-market burden on competition because it is a regulatory fee that supports regulation in furtherance of the purposes of the Act. The Exchange is obligated to ensure that the amount of regulatory revenue collected from the ORF, in combination with its other regulatory fees and fines, does not exceed regulatory costs.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

¹⁴ ISG is an industry organization formed in 1983 to coordinate intermarket surveillance among the SROs by cooperatively sharing regulatory information pursuant to a written agreement between the parties. The goal of the ISG’s information sharing is to coordinate regulatory efforts to address potential intermarket trading abuses and manipulations.

III. Date of Effectiveness of the Proposed Rule Change and Timing of Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁵ and paragraph (f) of Rule 19b-4¹⁶ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission’s internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-89509; File No. SR-MEMX-2020-03]

Self-Regulatory Organizations; MEMX LLC; Notice of Filing and Order Granting Accelerated Approval of a Proposed Rule Change To Amend Rule 8.15 and To Add the Consolidated Audit Trail Industry Member Compliance Rules to the List of Minor Rule Violations in Rule 8.15.01

August 7, 2020.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 31, 2020, MEMX LLC (“MEMX” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons and approving the proposal on an accelerated basis.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing with the Commission a proposed rule change to add the Consolidated Audit Trail (“CAT”) industry member compliance

¹⁷ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

rules (“CAT Compliance Rules”) to the list of minor rule violations in Rule 8.15 and to make an additional change to paragraph (a) of Rule 8.15. The text of the proposed rule change is provided in Exhibit 5.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

In order to implement the National Market System Plan Governing the Consolidated Audit Trail (the “CAT NMS Plan” or “Plan”), the Exchange codified the CAT Compliance Rules in Rules 4.5 through 4.16 as part of its initial Rules.³ The CAT NMS Plan was filed by the Plan Participants to comply with Rule 613 of Regulation NMS under the Act,⁴ and each Plan Participant accordingly has adopted the same compliance rules as in Exchange Rules 4.5 through 4.16. The common compliance rules adopted by each Plan Participant are designed to require industry members to comply with the provisions of the CAT NMS Plan, which broadly calls for industry members to record and report timely and accurate customer, order, and trade information relating to activity in NMS Securities and OTC Equity Securities.

Rule 8.15 provides for disposition of certain violations through assessment of fines in lieu of conducting a formal disciplinary proceeding. Rule 8.15.01, specifically, sets forth the list of specific Exchange Rules under which any member of the Exchange (“Member”), associated person of a Member, or registered or non-registered employee of a Member may be subject to a fine for violations of such Rules. The Exchange

proposes to amend Rule 8.15.01 to add the CAT Compliance Rules in Rules 4.5 through 4.16 to the list of rules in Rule 8.15.01 eligible for disposition pursuant to a minor fine; specifically, under proposed Rule 8.15.01(h).⁵ Proposed Rule 8.15.01(h) provides that for failures to comply with the Consolidated Audit Trail Compliance Rule requirements of Rules 4.5 through 4.16, the Exchange may impose a minor rule violation fine of up to \$2,500. The Exchange may seek other disciplinary action for more serious violations.

The Exchange is coordinating with the Financial Industry Regulatory Authority, Inc. (“FINRA”) and other Plan Participants to promote harmonized and consistent enforcement of all the Plan Participants’ CAT Compliance Rules. The Commission recently approved a Rule 17d–2 Plan under which the regulation of CAT Compliance Rules will be allocated among Plan Participants to reduce regulatory duplication for industry members that are members of more than one Participant (“common members”).⁶ Under the Rule 17d–2 Plan, the regulation of CAT Compliance Rules with respect to common members that are members of FINRA is allocated to FINRA. Similarly, under the Rule 17d–2 Plan, responsibility for common members of multiple other Plan Participants and not a member of FINRA will be allocated among those other Plan Participants, including to the Exchange. For those non-common members who are allocated to MEMX pursuant to the Rule 17d–2 Plan, the Exchange and FINRA have entered into a Regulatory Services Agreement (“RSA”) pursuant to which FINRA will assist the Exchange with conducting surveillance, investigation, examination, and enforcement activity in connection with the CAT Compliance Rules on the Exchange’s behalf. The Exchange

⁵ FINRA’s maximum fine for minor rule violations under FINRA Rule 9216(b) is \$2,500. The Exchange will apply an identical maximum fine amount for eligible violations of Rules 4.5 through 4.16 to achieve consistency with FINRA and also amend its minor rule violation plan (“MRVP”) to include such fines. Like FINRA, the Exchange would be able to pursue a fine greater than \$2,500 for violations of Rules 4.5 through 4.16 in a regular disciplinary proceeding or a letter of consent under Chapter 8 as appropriate. Any fine imposed in excess of \$2,500 or not otherwise covered by Rule 19d–1(c)(2) of the Act would be subject to prompt notice to the Commission pursuant to Rule 19d–1 under the Act. As noted below, in assessing the appropriateness of a minor rule fine with respect to CAT Compliance Rules, the Exchange will be guided by the same factors that FINRA utilizes. See text accompanying notes 9–10, *infra*.

⁶ See Securities Exchange Act Release No. 88366 (March 12, 2020), 85 FR 15238 (March 17, 2020).

expects that the other exchanges will be entering into similar RSAs.

The Exchange notes that this proposal is based upon the FINRA filing to amend FINRA Rule 9217 in order to add FINRA’s corresponding CAT Compliance Rules to FINRA’s list of rules that are eligible for minor rule violation plan treatment.⁷ The Exchange also notes that the New York Stock Exchange LLC (“NYSE”) submitted a filing to amend its Minor Rule Violation Plan (“MRVP”) to add its CAT Compliance Rules in a manner consistent with FINRA’s proposal,⁸ and other Plan Participants intend to submit the same. Thus, in order to achieve consistency with FINRA and the other Plan Participants, the Exchange proposes to adopt fines up to \$2,500 in connection with minor rule fines for violations of the CAT Compliance Rules (Rules 4.5 through 4.16) in proposed Rule 8.15.01(h) under the Exchange’s MRVP. In connection with FINRA’s proposed amendment to FINRA Rule 9217 to make FINRA’s CAT Compliance Rules MRVP eligible, FINRA has stated that it will apply the minor fines for CAT Compliance Rules in the same manner that FINRA has for its similar existing audit trail-related rules.⁹ Accordingly, in order to promote regulatory consistency, the Exchange plans to do the same. Specifically, application of a minor fine with respect to CAT Compliance Rule violations will be guided by the same factors that FINRA references in its filing. However, more formal disciplinary proceedings may be warranted instead of minor rule dispositions in certain circumstances such as where violations prevent regulatory users of the CAT from performing their regulatory functions. Where minor rule dispositions are appropriate, the following factors help guide the determination of fine amounts:

- Total number of reports that are not submitted or submitted late;
- The timeframe over which the violations occur;
- Whether violations are batched;
- Whether the violations are the result of the actions of one individual or the result of faulty systems or procedures;

³ On May 4, 2020, the Commission approved the MEMX Form 1 application for registration as a national securities exchange. See Securities Exchange Release No. 88806 (May 4, 2020), 85 FR 27451 (May 8, 2020).

- Whether the firm has taken remedial measures to correct the violations;
- Prior minor rule violations within the past 24 months;
- Collateral effects that the failure has on customers; and
- Collateral effects that the failure has on the Exchange's ability to perform its regulatory function.¹⁰

Upon effectiveness of this rule change, the Exchange will publish a regulatory notice notifying its Members of the rule change and the specific factors that will be considered in connection with assessing minor rule fines described above.

For the foregoing reasons, the Exchange believes that the proposed rule change will result in a coordinated, harmonized approach to CAT Compliance Rule enforcement across Plan Participants that will be consistent with the approach FINRA has taken with the CAT rules.

In addition to the changes set forth above, the Exchange proposes to remove a sentence from its current Rule 8.15(a) given the possibility that it may cause confusion. Specifically, as set forth above, the provisions of Rule 8.15 are intended to provide for a way to resolve violations of Exchange Rules that are minor in nature. However, current paragraph (a) of Rule 8.15 states that the Exchange may, if no exceptional circumstances are present, impose a fine based upon a determination that there exists a pattern or practice of violative conduct. Given the fact that most violations involving a "pattern or practice" of violative conduct are not considered to be minor in nature, the Exchange believes this language might cause confusion and proposes to delete this sentence.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.¹¹ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)¹² requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in

securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)¹³ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

Minor rule fines provide a meaningful sanction for minor or technical violations of rules when the conduct at issue does not warrant stronger, immediately reportable disciplinary sanctions. The inclusion of a rule in the Exchange's MRVP does not minimize the importance of compliance with the rule, nor does it preclude the Exchange from choosing to pursue violations of eligible rules through a letter of consent if the nature of the violations or prior disciplinary history warrants more significant sanctions. Rather, the Exchange believes that the proposed rule change will strengthen the Exchange's ability to carry out its oversight and enforcement responsibilities in cases where full disciplinary proceedings are unwarranted in view of the minor nature of the particular violation. The Exchange believes the option to impose a minor rule sanction gives the Exchange additional flexibility to administer its enforcement program in the most effective and efficient manner while still fully meeting the Exchange's remedial objectives in addressing violative conduct.¹⁴ Specifically, the proposed rule change is designed to prevent fraudulent and manipulative acts and practices because it will provide the Exchange the ability to issue a minor rule fine for violations of the CAT Compliance Rules in Rules 4.5 through 4.16 where a more formal disciplinary action may not be warranted or appropriate consistent with the approach of other Plan Participants for the same conduct. For the same reason, the Exchange believes its proposal to amend Rule 8.15(a) is consistent with the Act as it is designed to prevent fraudulent and manipulative acts and practices because it would remove a reference to an action brought under the Exchange's MRVP when the

applicable violation is a pattern or practice violation.

In connection with the fine level specified in the proposed rule change, adding proposed Rule 8.15.01(h) to specifically provide that for violations of the CAT Compliance Rules in Rules 4.5 through 4.16 the Exchange may impose a fine not to exceed \$2,500 would further the goal of transparency within the Exchange's rules. Adopting the same cap as FINRA for minor rule fines in connection with the CAT Compliance Rules would also promote regulatory consistency across self-regulatory organizations.

The Exchange further believes that the proposed amendment to Rule 8.15.01 is consistent with Section 6(b)(6) of the Act,¹⁵ which provides that members and persons associated with members shall be appropriately disciplined for violation of the provisions of the rules of the exchange, by expulsion, suspension, limitation of activities, functions, and operations, fine, censure, being suspended or barred from being associated with a member, or any other fitting sanction. As noted, the proposed rule change would provide the Exchange the ability to sanction minor or technical violations of Rules 4.5 through 4.16 pursuant to the Exchange's rules.

Finally, the Exchange also believes that the proposed change is designed to provide a fair procedure for the disciplining of members and persons associated with members, consistent with Sections 6(b)(7) and 6(d) of the Act.¹⁶ Rule 8.15 does not preclude a Member, associated person of a Member, or registered or non-registered employee of a Member from contesting an alleged violation and receiving a hearing on the matter with the same procedural rights through a litigated disciplinary proceeding.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but rather is concerned solely with making the CAT Compliance Rules in Rules 4.5 through 4.16 eligible for a minor rule fine disposition, thereby strengthening the Exchange's ability to carry out its oversight and enforcement functions and deter potential violative conduct. Also, as stated above, the proposed rule

¹⁴ Pursuant to Rule 8.15(a) and (e), the Exchange has the discretion to impose a fine in lieu of commencing a disciplinary proceeding for a violation that is minor in nature. change is consistent with similar proposals recently filed by FINRA and NYSE, and other Plan Participants intend to submit the same.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

comment submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-MEMX-2020-03 and should be submitted on or before September 3, 2020.

IV. Commission's Findings and Order Granting Accelerated Approval of Proposed Rule Change

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.¹⁷ In particular, the Commission finds that the proposed rule change is consistent with Section 6(b)(5) of the Act,¹⁸ which requires that the rules of an exchange be designed to promote just and equitable principles of trade, to remove impediments and to perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Commission also believes that the proposal is consistent with Sections 6(b)(1) and 6(b)(6) of the Act¹⁹ which require that the rules of an exchange enforce compliance with, and provide appropriate discipline for, violations of Commission and Exchange rules. Finally, the Commission finds that the proposal is consistent with the public interest, the protection of investors, or otherwise in furtherance of the purposes of the Act, as required by Rule 19d-1(c)(2) under the Act,²⁰ which governs minor rule violation plans.

As stated above, the Exchange proposes to add the CAT Compliance Rules to the list of minor rule violations in Rule 8.15 to be consistent with the approach FINRA has taken for minor violations of its corresponding CAT Compliance Rules.²¹ The Commission has already approved FINRA's treatment of CAT Compliance Rules violations

¹⁷ In approving this proposed rule change, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

¹⁸ 15 U.S.C. 78f(b)(5).

¹⁹ 15 U.S.C. 78f(b)(1) and 78f(b)(6).

²⁰ 17 CFR 240.19d-1(c)(2).

²¹ As discussed above, the Exchange has entered into a Rule 17d-2 Plan and an RSA with FINRA with respect to the CAT Compliance Rules. The Commission notes that, unless relieved by the Commission of its responsibility, as may be the case under the Rule 17d-2 Plan, the Exchange continues to bear the responsibility for self-regulatory conduct and liability for self-regulatory failures, not the self-regulatory organization retained to perform regulatory functions on the Exchange's behalf pursuant to an RSA. See Securities Exchange Release No. 61419 (January 26, 2010), 75 FR 5157 (February 1, 2010) (SR-BATS-2009-031), note 93 and accompanying text.

when it approved the addition of CAT Compliance Rules to FINRA's MRVP.²² As noted in that order, and similarly herein, the Commission believes that Exchange's treatment of CAT Compliance Rules violations as part of its MRVP provides a reasonable means of addressing violations that do not rise to the level of requiring formal disciplinary proceedings, while providing greater flexibility in handling certain violations. However, the Commission expects that, as with FINRA, the Exchange will continue to conduct surveillance with due diligence and make determinations based on its findings, on a case-by-case basis, regarding whether a sanction under the rule is appropriate, or whether a violation requires formal disciplinary action. Accordingly, the Commission believes the proposal raises no novel or significant issues. In addition, the Exchange proposes to amend Rule 8.15(a) to remove a reference to an action brought under the Exchange's MRVP when the applicable violation is a pattern or practice violation. The Commission believes that removal of such reference makes clear that a pattern or practice of violative conduct may require discipline beyond the scope of the Exchange's MRVP, and is therefore consistent with the Act.

For the same reasons discussed above, the Commission finds good cause, pursuant to Section 19(b)(2) of the Act,²³ for approving the proposed rule change prior to the thirtieth day after the date of publication of the notice of the filing thereof in the **Federal Register**. The proposal merely adds the CAT Compliance Rules to the Exchange's MRVP, harmonizes its application with FINRA's application of CAT Compliance Rules under its own MRVP, and amends Rule 8.15(a) to remove a pattern or practice of violative conduct from the Exchange's MRVP. Accordingly, the Commission believes that a full notice-and-comment period is not necessary before approving the proposal.

V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act²⁴ and Rule 19d-1(c)(2) thereunder,²⁵ that the proposed rule change (SR-MEMX-2020-03) be, and hereby is, approved on an accelerated basis.
