Liquor Control Statute of the Ione Band of Miwok Indians

Article One

Introduction

Section 1. Authority

This Statute is enacted pursuant to the Act of August 15, 1953 (Pub. L. 83-277, 67 Stat. 586, 18 U.S.C. 1161) and by powers vested in the Ione Band of Miwok Indians Tribal Council ("Tribal Council") to promulgate and enforce civil and criminal ordinances governing the conduct, affairs, and transactions of members of the Ione Band of Miwok Indians of California ("Tribe"), and to the extent permitted by federal law, governing the conduct, affairs, and transactions of non-members of the Tribe, as authorized under Article VII, Section 1 of the Constitution of the Tribe, adopted by the Tribe on August 10, 2002, and approved by the Secretary of the Interior on September 6, 2002 ("Constitution").

Section 2. Purpose

The purpose of this Statute is to regulate and control the possession, sale, manufacture and distribution of liquor within Tribal Trust Lands (as hereafter defined), in order to permit alcohol sales by tribally owned and operated enterprises and private lessees, and at tribally approved special events. Enactment of a liquor control statute will help provide a source of revenue for the continued operation of the tribal government, the delivery of governmental services, and the economic viability of tribal enterprises.

Section 3. Short Title

This Statute shall be known and cited as the "Ione Band Liquor Control Statute."

Section 4. Jurisdiction

This Statute shall apply to all lands now or in the future under the governmental authority of the Tribe, including Tribal Trust Lands.

Section 5. Application of 18 U.S.C. 1161

By adopting this Statute, the Tribe hereby regulates the sale, distribution, and consumption of liquor while ensuring that such activity conforms with all applicable laws of the State of California as required by 18 U.S.C. 1161 and the United States.

Section 5. Declaration of Public Policy; Findings

The Tribal Council enacts this Statute, based upon the following findings:

(a) The distribution, possession, consumption and sale of liquor on the Tribal Trust Lands is a matter of special concern to the Tribe.

(b) The Tribe plans to construct and operate a gaming facility and related entertainment and lodging facilities on a portion of its Tribal Trust Lands.

(c) The Tribe's gaming facility will serve as an integral and indispensable part of the Tribe's economy, providing revenue to the Tribe's government and employment to tribal citizens and others in the local community.

(d) Federal law, as codified at 18 U.S.C. 1154 and 1161, currently prohibits the introduction of liquor into Indian country, except in accordance with State law and the duly enacted law of the Tribe.

(e) The Tribe recognizes the need for strict control and regulation of liquor transactions on Tribal Trust Lands because of potential problems associated with the unregulated or inadequate regulated sale, possession, distribution, and consumption of liquor.

(f) Regulating the possession, sale, distribution and manufacture of liquor within Tribal Trust Lands is also consistent with the Tribe's interest in ensuring the peace, safety, health, and general welfare of the Tribe and its citizens.

(g) Tribal control and regulation of liquor on Tribal Trust Lands is consistent with the Tribe's custom and tradition of controlling the possession and consumption of liquor on tribal lands and at tribal events.

(h) The purchase, distribution, and sale of liquor on Tribal Trust Lands shall take place only at duly licensed (i) tribally owned enterprises, (ii) other enterprises operating pursuant to a lease

with the Tribe, and (iii) tribally-sanctioned events.

(i) The sale or other commercial manufacture or distribution of liquor on Tribal Trust Lands, other than sales, manufacture, and distributions made in strict compliance with this Statute, is detrimental to the health, safety, and general welfare of the citizens of the Tribe, and is prohibited.

Abstract: The BLM is required by the Materials Act of 1947 (30 U.S.C. 601 and 602) and Section 302 of the Federal Land Policy and Management Act (43 U.S.C. 1732) to manage the sale and free use of mineral materials that are not subject to mineral leasing or location under the mining laws (e.g., common varieties of sand, stone, gravel, pumice, pumicite, clay, and rock). The Materials Act authorizes the BLM to sell these mineral materials at fair market value and to grant free-use permits to government agencies and nonprofit organizations. To obtain a sales contract or free-use permit, an applicant must submit information to identify themselves, the location of the site, and the proposed method to remove the mineral materials. The BLM uses the information to process each request for disposal, determine whether the request to dispose of mineral materials meets statutory requirements, and whether to approve the request.
