

low-income members can benefit from certain statutory relief and receive assistance from the Community Development Revolving Loan Fund. To utilize this authority, a credit union must receive a low-income designation from NCUA as defined in NCUA's regulations at 12 CFR 701.34. NCUA uses the information from credit unions to determine whether they meet the criteria for the low-income designation.

This is an extension of an emergency revision that incorporated a procedural change for credit unions, in qualifying for low-income designation status, to include military personnel in the low-income designation calculation.

Affected Public: Not-for-profit institutions.

SUPPLEMENTARY INFORMATION:

OMB Number: 3133-0154.

Title: Prompt Corrective Action, 12 CFR 702 (Subparts A–D).

Abstract: Section 216 of the Federal Credit Union Act (12 U.S.C. 1790d) mandates prompt corrective action (PCA) requirements for federally insured credit unions (FICUs) that become less than well capitalized. Section 216 requires the NCUA Board to (1) adopt, by regulation, a system of prompt corrective action to restore the net worth of inadequately capitalized FICUs; and (2) develop an alternative system of prompt corrective action for new credit unions that carries out the purpose of PCA while allowing an FICU reasonable time to build its net worth to an adequately capitalized level. The purpose of PCA is to resolve the problems of FICUs at the least possible long-term loss to the National Credit Union Share Insurance Fund (NCUSIF).

This is an extension of emergency revisions to the PCA that provide regulatory relief in response to COVID-19. The waiver requirement for each quarterly transfer made from undivided earning to its regular reserve account until well capitalized was temporary suspended for adequately capitalized credit unions and a FICU that becomes undercapitalized may submit a significantly simpler Net Worth Restoration Plan to NCUA.

Type of Review: Extension of a currently approved collection.

Affected Public: Private Sector: Not-for-profit institutions.

Estimated Total Annual Burden Hours: 569.
