

meeting, would allow only the presiding person of a stockholder meeting to adjourn and reset a stockholder meeting date in the absence of quorum, would allow for shorter notice in order for the Board to call a special meeting, would allow the Board and the Corporation to continue to function (including remotely) in the case of an emergency, such as the ongoing COVID-19 pandemic, and would provide the Board with increased flexibility in populating the Nomination and Governance Committee. Each of these proposed changes is designed to assist the Exchange in most effectively and efficiently managing evolving corporate matters as they arise, many of which are highly complex and may be time sensitive. Additionally, as indicated above, a majority of the proposed changes align certain Sections in the Parent Bylaws with current best practices and with the DCGL (as well as a change in accordance with Delaware common law) and are also consistent with bylaw provisions of Cboe's peer corporations. Accordingly, the Exchange believes the proposed changes are widely accepted as appropriate governance measures.

Lastly, the proposed nonsubstantive changes to the Parent Bylaws provide additional clarity within the Parent Bylaws and make them easier to understand. By making certain provisions read more in plain English, updating paragraph lettering and numbering, making certain terms uniform and simplifying language throughout, the proposed nonsubstantive changes benefit investors by providing more clarity and reduced complexity within the Parent Bylaws and making the Parent Bylaw [sic] better organized and easier to follow thus reducing potential investor confusion.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but rather is concerned solely with updating the Parent Bylaws to reflect the changes described above.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.
