

4. *Employee Work Activity Questionnaire—20 CFR 404.1574(a)—0960–0483.* Social Security Disability Insurance (SSDI) beneficiaries and SSI recipients qualify for payments when a verified physical or mental impairment prevents them from working. If disability claimants attempt to return to

work after receiving payments, but are unable to continue working, they submit Form SSA–3033, Employee Work Activity Questionnaire, so SSA can evaluate their work attempt. SSA also uses this form to evaluate unsuccessful subsidy work and determine applicants' continuing eligibility for disability

payments. The respondents are employers of SSDI beneficiaries and SSI recipients who unsuccessfully attempted to return to work.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)	Average theoretical hourly cost amount (dollars)*	Total annual opportunity cost (dollars)**
SSA–3033	15,000	1	15	3,750	*\$59.15	**\$221,813

* We based this figure on average general and operations manager's hourly salary, as reported by Bureau of Labor Statistics data (<https://www.bls.gov/oes/current/oes111021.htm>).

** This figure does not represent actual costs that SSA is imposing on recipients of Social Security payments to complete this application; rather, these are theoretical opportunity costs for the additional time respondents will spend to complete the application. *There is no actual charge to respondents to complete the application.*

5. *Sheltered Workshop Wage Reporting—0960–0771.* Sheltered workshops are private non-profit organizations, or institutions, that implement a recognized program of rehabilitation for handicapped workers, or provide such workers with remunerative employment, or other occupational rehabilitating activity of an

educational or therapeutic nature. Sheltered workshops perform a service for their clients by reporting monthly wages directly to SSA. SSA uses the information these workshops provide to verify and post monthly wages to SSI recipient's records. Most workshops report monthly wage totals to their local SSA office so we can adjust the client's

SSI payment amount in a timely manner, and prevent overpayments. Sheltered workshops are motivated to report wages voluntarily as a service to their clients. Respondents are sheltered workshops that report monthly wages for services performed in the workshop.
