BILLING CODE 4191-02-P

SOCIAL SECURITY ADMINISTRATION

[Docket No: SSA-2020-0040]

Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to

minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers. (OMB), Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974, Email address: *OIRA_Submission@omb.eop.gov*. (SSA), Social Security Administration, OLCA, Attn: Reports Clearance Director, 3100 West High Rise, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410-966-2830, Email address: *OR.Reports.Clearance@ssa.gov*.

Or you may submit your comments online through *www.regulations.gov*, referencing Docket ID Number [SSA-2020-0040].

I. The information collection below is pending at SSA. SSA will submit it to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than October 19, 2020. Individuals can obtain copies of the collection

instrument by writing to the above email address.

Medical Permit Parking Application—41 CFR 102-71.20 & 102-74.305—0960-0624. SSA employees and contractors with a qualifying medical condition who park at SSA-owned and leased facilities may apply to receive a medical parking permit. SSA uses three forms for this program: (1) SSA-3192, the Application and Statement, which an individual completes when first applying for the medical parking space; (2) SSA-3193, the Physician's Report, which the applicant's physician completes to verify the medical condition; and (3) SSA-3194, Renewal Certification, which medical parking permit holders complete to verify their continued need for the permit. The respondents are SSA employees and contractors seeking medical parking permits and their physicians.

Note: Because SSA employees are Federal workers exempt from the requirements of the Paperwork Reduction Act, the burden below is only for SSA contractors, and physicians (of both SSA employees and contractors).

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)	Average theoretical hourly cost amount (dollars) *	Total annual opportunity cost (dollars) **

** This figure does not represent actual costs that SSA is imposing on recipients of Social Security payments to complete this application; rather, these are theoretical opportunity costs for the additional time respondents will spend to complete the application. *There is no actual charge to respondents to complete the application.*

II. SSA submitted the information collection below to OMB for clearance. Your comments regarding this information collection would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than September 21, 2020. Individuals can obtain copies of the OMB clearance package by writing to *OR.Reports.Clearance@ssa.gov*.

1. Internet Representative Payee Accounting, My Representative Payee Accounting, Representative Payee Report-Adult, Representative Payee Report-Child, and Representative Payee Report-Organizational Representative Payees—20 CFR 404.2035, 404.2065,

416.635, and 416.665—0960-0068. When SSA determines it is not in an Old-Age, Survivors, and Disability Insurance (OASDI) or Supplemental Security Income (SSI) recipient's best interest to receive Social Security payments directly, the agency will designate a representative payee for the recipient. The representative payee can be: (1) A family member; (2) a non-family member who is a private citizen and is acquainted with the beneficiary; (3) an organization; (4) a state or local government agency; or (5) a business. In the capacity of representative payee, the person or organization receives the SSA recipient's payments directly and manages these payments. As part of its stewardship mandate, SSA must ensure

the representative payees are properly using the payments they receive for the recipients they represent. The agency annually collects the information necessary to make this assessment using Form SSA-623, Representative Payee Report-Adult; Form SSA-6230, Representative Payee Report-Child; Form SSA-6234, Representative Payee Report-Organizational Representative Payees; and through the electronic internet applications, internet Representative Payee Accounting (iRPA) & My Representative Payee Accounting (MyRPA). The respondents are representative payees of OASDI and SSI recipients.

these beneficiaries to report events that may cause a reduction, termination, or suspension of their benefits. SSA collects such information on Forms SSA-1383 and SSA-1383-FC to determine if the changes or events the student beneficiaries report will affect their continuing entitlement to SSA

benefits. SSA also uses the SSA-1383 and SSA-1383-FC to calculate the correct benefit amounts for student beneficiaries. The respondents are Social Security Title II student beneficiaries.

3. *Modified Benefit Formula Questionnaire—0960-0395.* SSA collects information on Form SSA-150 to determine which formula to use in computing the Social Security benefit for someone who receives a pension from employment not covered by Social Security. The Windfall Elimination Provision (WEP) requires use of a benefit formula replacing a smaller percentage of a worker's pre-retirement earnings. However, the resulting amount

cannot show a difference in the benefit computed using the modified and regular formulas greater than one-half the amount of the pension received in the first month an individual is entitled to both the pension and the Social Security benefit. The SSA-150 collects the information needed to make the necessary benefit computations. SSA requires the respondents to furnish the information on Form SSA-150 so we can calculate their benefits using the

data they supply. SSA calculates the benefits of applicants who do not respond to this questionnaire using the full WEP reduction. SSA employees collect this information once from applicants at the time they file their claim. The respondents are applicants for old-age and disability benefits.

Type of Request: Revision of an OMB-approved information collection.

4. *Employee Work Activity Questionnaire—20 CFR 404.1574(a)—0960–0483.* Social Security Disability Insurance (SSDI) beneficiaries and SSI recipients qualify for payments when a verified physical or mental impairment prevents them from working. If disability claimants attempt to return to

work after receiving payments, but are unable to continue working, they submit Form SSA–3033, Employee Work Activity Questionnaire, so SSA can evaluate their work attempt. SSA also uses this form to evaluate unsuccessful subsidy work and determine applicants' continuing eligibility for disability

payments. The respondents are employers of SSDI beneficiaries and SSI recipients who unsuccessfully attempted to return to work.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)	Average theoretical hourly cost amount (dollars)*	Total annual opportunity cost (dollars)**

5. *Sheltered Workshop Wage Reporting—0960–0771.* Sheltered workshops are private non-profit organizations, or institutions, that implement a recognized program of rehabilitation for handicapped workers, or provide such workers with remunerative employment, or other occupational rehabilitating activity of an

educational or therapeutic nature. Sheltered workshops perform a service for their clients by reporting monthly wages directly to SSA. SSA uses the information these workshops provide to verify and post monthly wages to SSI recipient's records. Most workshops report monthly wage totals to their local SSA office so we can adjust the client's

SSI payment amount in a timely manner, and prevent overpayments. Sheltered workshops are motivated to report wages voluntarily as a service to their clients. Respondents are sheltered workshops that report monthly wages for services performed in the workshop.

Type of Request: Revision of an OMB-approved information collection.
