| * Prohibition on Contracting with Entities Using Certain Telecommunications and Video Surveillance Services or Equipment | 2019–009 |

ADDRESSES: The FAC, including the SECG, is available via the internet at <https://www.regulations.gov>.

SUPPLEMENTARY INFORMATION: A summary for the FAR rule follows. For the actual revisions and/or amendments made by this FAR case, refer to the specific subject set forth in the document following this summary. FAC 2020–09 amends the FAR as follows:

Prohibition on Contracting With Entities Using Certain Telecommunications and Video Surveillance Services or Equipment (FAR Case 2019–009)

This second interim rule amends the Federal Acquisition Regulation to implement section 889(a)(1)(B) of the John S. McCain National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2019 (Pub. L. 115–232). The

first interim rule was published July 14, 2020.

This rule reduces the information collection burden imposed on the public by making updates to the System for Award Management (SAM) to allow an offeror to represent annually, after conducting a reasonable inquiry, whether it uses covered telecommunications equipment or services, or any equipment, system, or service that uses covered telecommunications equipment or services. The burden to the public is reduced by allowing an offeror that responds “does not” in the annual representation at 52.204–26, Covered Telecommunications Equipment or Services—Representation, or in paragraph (v)(2)(ii) of 52.212–3, Offeror Representations and Certifications—Commercial Items, to skip the offer-by-

offer representation for paragraph (d)(2) within the provision at 52.204–24, Representation Regarding Certain Telecommunications and Video Surveillance Services or Equipment. The provision at 52.204–26 requires that offerors review SAM prior to completing their required representations.

This rule applies to all acquisitions, including acquisitions at or below the simplified acquisition threshold and to acquisitions of commercial items, including commercially available off-the-shelf items. It may have a significant economic impact on a substantial number of small entities.

William F. Clark,

Director, Office of Government-wide Acquisition Policy, Office of Acquisition Policy, Office of Government-wide Policy.
