

Secretary for Health, Office of Disease Prevention and Health Promotion, 1101 Wootton Parkway, Suite 420, Rockville, MD 20852. Phone: (240) 453-8826. Email: OHQ@hhs.gov.

SUPPLEMENTARY INFORMATION: The National Clinical Care Commission Act (Pub. L. 115-80) requires the HHS Secretary to establish the National Clinical Care Commission. The Commission consists of representatives of specific federal agencies and non-federal individuals and entities who represent diverse disciplines and views. The Commission will evaluate and make recommendations to the HHS Secretary and Congress regarding improvements to the coordination and leveraging of federal programs related to diabetes and its complications.

The eighth meeting will be held virtually, and will consist of updates from the Commission's three subcommittees and a discussion of public comments and outreach to stakeholder organizations. Additionally, the first round of potential "action plans" from the subcommittee (*i.e.*, recommendations) to be discussed by Commission. The final meeting agenda will be available prior to the meeting at <https://health.gov/our-work/health-care-quality/national-clinical-care-commission/meetings>.

Public Participation at Meeting: The Commission invites public comment on issues related to the Commission's charge. There will be an opportunity for limited oral comments (each no more than 3 minutes in length) at this virtual meeting. Virtual attendees who plan to provide oral comments at the Commission meeting during a designated time must register prior to the meeting at https://kauffmaninc.adobeconnect.com/nccc_sept2020/event/event_info.html.

Written comments are welcome throughout the entire development process of the Commission's work and may be emailed to OHQ@hhs.gov. Written comments should not exceed three pages in length.

Individuals who need special assistance, such as sign language interpretation or other reasonable accommodations, should indicate the special accommodation when registering online or by notifying Jennifer Gillissen at jennifer.gillissen@kauffmaninc.com by August 27, 2020.

Authority: The National Clinical Care Commission is required under the National Clinical Care Commission Act (Pub. L. 115-80). The Commission is governed by provisions of the Federal Advisory Committee Act (FACA), Public Law 92-463, as amended (5 U.S.C.,

App.) which sets forth standards for the formation and use of federal advisory committees.

Dated: August 24, 2020.

Paul Reed,

Deputy Assistant Secretary for Health, Acting Director, Office of Disease Prevention and Health Promotion, Office of the Assistant Secretary for Health.

NIH Bethesda Surgery, Radiology and Laboratory Medicine Record of Decision

AGENCY: National Institutes of Health, HHS.

ACTION: Notice.

SUMMARY: The Department of Health and Human Services, the National Institutes of Health (NIH), has decided, after completion of a Final Environmental Impact Statement (FEIS) and a thorough consideration of the public comments on the Draft EIS, to implement the Proposed Action, referred to as the Proposed Action in the Final EIS. The Surgery, Radiology and Laboratory Medicine (SRLM) action is for construction of an additional 527,100 gross square feet (gsf) to the exiting Building 10. In addition to 527,100 gsf of space in the new building, the Proposed Action will include renovation of 102,600 gsf of existing space within the West Laboratory Wing of the Clinical Research Center. The footprint of the SRLM will occupy 55,500 gsf. A proposed patient parking garage is also included in the proposed action. The proposed garage will be a multi-level, self-park garage, accommodating approximately 780 cars.

FOR FURTHER INFORMATION CONTACT: Valerie Nottingham, Deputy Director, DEP, ORF, NIH, Building 13, Room 2S11, 9000 Rockville Pike, Bethesda, MD 20892, Phone 301-496-7775, nihnepa@mail.nih.gov. **RESPONSIBLE OFFICIAL:** Daniel G. Wheeland, Director, Office of Research Facilities (ORF) Development and Operations, NIH.

SUPPLEMENTARY INFORMATION:

Decision

After careful review of the environmental consequences in the Final Environmental Impact Statement for the SRLM, National Institutes of Health Bethesda Campus, and consideration of public comment throughout the National Environmental Policy Act of 1969 (NEPA) process, NIH has decided to implement the Proposed Action described below as the Selected Alternative.

Selected Alternative

The Selected Alternative is intended to further the NIH mission: To seek fundamental knowledge about the nature and behavior of living systems and the application of that knowledge to
