SUPPLEMENTARY INFORMATION: Pursuant to the Commodity Promotion, Research, and Information Act of 1996 (7 U.S.C. 7411–7425) (1996 Act), it is hereby directed that a referendum be conducted to ascertain whether continuance of the Paper and Paper-Based packaging Research, Promotion, Consumer Education and Industry Information Order (7 CFR part 1222) is favored by eligible domestic manufacturers and importers of paper and paper-based packaging. The program is authorized under the 1996 Act.

The representative period for establishing voter eligibility for the referendum shall be the period from January 1 through December 31, 2019. Persons who domestically manufactured and imported 100,000 short tons or more of paper and paper-based packaging during the representative period are eligible to vote in the referendum. Persons who received an exemption from assessments pursuant to § 1222.53 for the entire representative period are ineligible to vote. The Department will provide the option for electronic balloting. The referendum will be conducted by express mail and electronic ballot from October 12 through October 23, 2020. Further details will be provided in the ballot instructions.

The program took effect in 2013. Section 518 of the 1996 Act (7 U.S.C. 7417) authorizes continuance referenda. Under § 1222.81(b) of the Order, the U.S. Department of Agriculture (USDA) must conduct a referendum no later than seven years after the program became effective and every seven years thereafter or when 10 percent or more of persons eligible to vote petition the Secretary of Agriculture to hold a referendum to determine if persons subject to assessment favor continuance of the program. USDA would continue the program if continuance is favored by a majority of domestic manufacturers and importers of paper and paper-based packaging voting in the referendum who also represent a majority of the volume of paper and paper-based packaging represented in the referendum.

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the referendum ballot has been approved by the Office of Management and Budget (OMB) and assigned OMB No. 0581–0093. It has been estimated that approximately 40 entities will be eligible to vote in the referendum. It will take an average of 15 minutes for each voter to read the voting instructions and complete the referendum ballot.
