Final Determination of No Shipments

In the *Preliminary Results*, we found that Jindal SAW, Ltd. (JSL), the sole company for which a review was requested, made no shipments of OCTG from India during the POR. We also stated in the *Preliminary Results* that consistent with Commerce's practice, it was not appropriate to preliminarily rescind the review, but rather to complete the review and issue appropriate instructions to U.S. Customs and Border Protection (CBP) based on the final results.⁴

We received no information that contradicted our findings in the *Preliminary Results*, and no interested party commented on the *Preliminary Results*. Therefore, for these final results, we continue to find that JSL made no shipments of OCTG from India during the POR.

⁴ See *Preliminary Results*, 85 FR at 44280; see also *Certain Frozen Warm water Shrimp from Thailand; Preliminary Results of Antidumping Duty Administrative Review, Partial Rescission of Review, Preliminary Determination of No Shipments; 2012–2013*, 79 FR 15951, 15952 (March 24, 2014), unchanged in *Certain Frozen Warmwater Shrimp from Thailand: Final Results of Antidumping Duty Administrative Review, Final Determination of No Shipments, and Partial Rescission of Review; 2012–2013*, 79 FR 51306 (August 28, 2014).

Assessment Rates

Commerce determines, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with these final results of review.⁵ Consistent with Commerce's clarification to its assessment practice, because we determined that JSL had no shipments of subject merchandise to the United States during the POR, for entries of subject merchandise during the POR produced by JSL, for which this company did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate any entries at the all-others rate (*i.e.*, zero percent)⁶ if there is no rate for the intermediate company(ies) involved in the transaction.⁷

We intend to issue instructions to CBP 15 days after the date of publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for JSL will remain unchanged from the rate assigned to them in the most recently completed segment for the company;⁸ (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment; (3) if the exporter is not a firm covered in a prior review, or the original investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recently completed segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be zero percent, the all-others cash deposit rate established in the less-than-fair-value investigation.⁹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

⁵ See 19 CFR 351.212(b).

⁶ See *Order*, 79 FR at 53694 n.17.

⁷ For a full discussion of this clarification, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

⁸ See *Order*, 79 FR at 53694 n.17.

Notification to Importers Regarding the Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

This notice is issued and published in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.221(b)(5).
