

The BLM considered the minimal acreage to create a manageable boundary to include lands needed to protect existing improvements and to resolve the inadvertent, unauthorized use. The BLM may serve the public's interest through resolution and receiving payment at FMV for the subject parcel.

If issued, the conveyance document will be subject to valid existing rights and encumbrances of record, including, but not limited to, rights-of-way for roads and public utilities, and reservations for ditches and canals and all mineral deposits.

In addition to this Notice of Realty Action, a sale notice will be published once a week for 3 weeks in the *Craig Daily Press*. Only written comments submitted by mail will be considered as properly filed. Electronic mail, facsimile, or verbal comments will not be considered.

Before including your address, phone number, email address, or other personal identifying information (PII) in your comment, you should be aware that your comment, including your PII, may be made publicly available at any time. While you may ask us in your comment to withhold your PII from public review, the BLM cannot guarantee that it will be able to do so.

Any adverse comments will be reviewed by the BLM Colorado State Director or other authorized official of the Department of the Interior, who may sustain, vacate, or modify this realty action in whole or in part. In the absence of timely filed objections, this realty action will become the final determination of the Department of the Interior.
