## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-89825; File No. SR-NYSENAT-2020-29]

### Self-Regulatory Organizations; NYSE National, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Rule 7.37 To Update the Exchange's Source of Data Feeds From MIA X PEARL, LLC

September 10, 2020.

Pursuant to Section 19(b)(1)<sup>1</sup> of the Securities Exchange Act of 1934 (the "Act")<sup>2</sup> and Rule 19b-4 thereunder,<sup>3</sup> notice is hereby given that on September 3, 2020, NYSE National, Inc. ("NYSE National" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit

comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 7.37 to update the Exchange's source of data feeds from MIA X PEARL, LLC ("MIA X PEARL") for purposes of order handling, order execution, order routing, and regulatory compliance. The proposed rule change is available on the Exchange's website at [www.nyse.com](http://www.nyse.com), at the principal office of the Exchange, and at the Commission's Public Reference Room.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The Exchange proposes to update and amend the use of data feeds table in Rule 7.37, which sets forth on a market-by-market basis the specific securities information processor ("SIP") and proprietary data feeds that the Exchange utilizes for the handling, execution, and routing of orders, and for performing the regulatory compliance checks related to each of those functions. Specifically, the Exchange proposes to amend the table in Rule 7.37(d) to specify that, with respect to MIA X PEARL, the Exchange will receive the SIP feed as its primary source of data for order handling, order execution, order routing, and regulatory compliance. The Exchange will not have a secondary source for data from MIA X PEARL.

The Exchange proposes that this proposed rule change would be operative on the day that MIA X PEARL launches operations as an equities exchange, which is currently expected on September 25, 2020.<sup>4</sup>

<sup>4</sup> See [https://www.miaxoptions.com/sites/default/files/press\\_release-files/MIA\\_X\\_Press\\_Release\\_08182020.pdf](https://www.miaxoptions.com/sites/default/files/press_release-files/MIA_X_Press_Release_08182020.pdf).

###### 2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act,<sup>5</sup> in general, and furthers the objectives of Section 6(b)(5),<sup>6</sup> in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in general, to protect investors and the public interest. The Exchange believes its proposal to amend the table in Rule 7.37(d) to update the data feed source for the MIA X PEARL will ensure that Rule 7.37 correctly identifies and publicly states on a market-by-market basis all of the specific SIP and proprietary data feeds that the Exchange utilizes for the handling, execution, and routing of orders, and for performing the regulatory compliance checks for each of those functions. The proposed rule change also removes impediments to and perfects the mechanism of a free and open market and protects investors and the public interest by providing additional specificity, clarity, and transparency in the Exchange's rules.

##### B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed change is not designed to address any competitive issue, but rather would provide the public and market participants with up-to-date information about the data feeds the Exchange will use for the handling, execution, and routing of orders, as well as for regulatory compliance.

##### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

#### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become

operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>7</sup> and Rule 19b-4(f)(6) thereunder.<sup>8</sup>

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act<sup>9</sup> normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)<sup>10</sup> permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposed rule change may become operative immediately. According to the Exchange, such waiver is consistent with the protection of investors and the public interest because MIAx PEARL is expected to begin operating as an equities exchange in fewer than 30 days, and waiver of the operative delay would allow the Exchange to immediately provide transparency in its rules regarding its source of MIAx PEARL data for order handling, order execution, order routing, and regulatory compliance. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest, as doing so will ensure that the rule change becomes operative on or before the day that MIAx PEARL launches operations as an equities exchange, which is currently expected on September 25, 2020. Accordingly, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.<sup>11</sup>

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the

Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

#### IV. Solicitation of Comments
