### SUPPLEMENTARY INFORMATION:

**Title:** Collection and Transmission of Annual AMC Registry Fees.

**OMB Number:** 3139–0008.

**Type of Review:** Extension of a currently approved collection.

**Abstract:** States that register and supervise appraisal management companies (AMCs) are required to collect and transmit annual AMC registry fees to the ASC. 12 CFR part 1102, and in particular section

1102.402, established the annual AMC registry fee for States that register and supervise AMCs as follows: (1) In the case of an AMC that has been in existence for more than a year, \$25 multiplied by the number of appraisers who have performed an appraisal for the AMC on a covered transaction in such State during the previous year; and (2) in the case of an AMC that has not been in existence for more than a year, \$25 multiplied by the number of appraisers who have performed an appraisal for the AMC on a covered transaction in such State since the AMC commenced doing business. Performance of an appraisal means the appraisal service requested of an appraiser by the AMC was provided to the AMC. Section 1102.403 requires AMC registry fees to be collected and transmitted to the ASC on an annual basis by States that register and supervise AMCs. Only those AMCs whose registry fees have been transmitted to the ASC are eligible to be on the AMC Registry for the 12-month period following the payment of the fee. Section 1102.403 clarified that States may align a one-year period with any 12-month period, which may, or may not, be based on the calendar year. The registration cycle is left to the individual States to determine.

**Current Action:** There are no changes being made to this regulation.

**Affected Public:** States, businesses or other for-profit organizations.

**Estimated Number of Respondents:** 350 AMCs, 51 States. Based on a review of AMC Registry data, there are approximately 309 distinct AMCs listed on the AMC Registry as reported by 30 States. Therefore, we have changed the estimated number of AMCs from 500 to 350 to account for the 21 States that are not currently reporting data to the AMC Registry. Currently 51 States have AMC Programs with 30 States reporting data to the AMC Registry.

**Estimated Total Annual Burden Hours:** For States—We estimate that a State will spend approximately 60 hours annually submitting data to the ASC.

For AMCs—4,437 hours. This estimate has been increased from 500. As of September 4, 2020, there were 2,608 active AMC entries on the AMC Registry. We estimate that it takes each AMC one hour to report its data to each State in which the AMC is registered. Assuming an average of 87 AMCs per State, this would total 4,437 active AMCs in 51 States.

**Frequency of Response:** Event generated.

**DATES:** Comments must be submitted on or before November 16, 2020.

All public comments are available from the Board's website at <https://www.federalreserve.gov/apps/foia/proposedregs.aspx> as submitted, unless modified for technical reasons or to remove personally identifiable information at the commenter's request. Accordingly, comments will not be edited to remove any identifying or contact information. For security reasons, the Board requires that visitors make an appointment to inspect comments. You may do so by calling (202) 452–3684. Upon arrival, visitors will be required to present valid government-issued photo identification and to submit to security screening in

order to inspect and photocopy comments.

Additionally, commenters may send a copy of their comments to the Office of Management and Budget (OMB) Desk Officer—Shagufta Ahmed—Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 10235, 725 17th Street NW, Washington, DC 20503, or by fax to (202) 395–6974.

**FOR FURTHER INFORMATION CONTACT:** A copy of the Paperwork Reduction Act (PRA) OMB submission, including the reporting form and instructions, supporting statement, and other documentation will be placed into OMB's public docket files, if approved. These documents will also be made available on the Board's public website at <https://www.federalreserve.gov/apps/reportforms/review.aspx> or may be requested from the agency clearance officer, whose name appears below. Federal Reserve Board Clearance Officer—Nuha Elmaghrabi—Office of the Chief Data Officer, Board of Governors of the Federal Reserve System, Washington, DC 20551, (202) 452–3829.

**SUPPLEMENTARY INFORMATION:** On June 15, 1984, OMB delegated to the Board authority under the PRA to approve and assign OMB control numbers to collections of information conducted or sponsored by the Board. In exercising this delegated authority, the Board is directed to take every reasonable step to solicit comment. In determining whether to approve a collection of information, the Board will consider all comments received from the public and other agencies. Pursuant to its delegated authority, the Board may temporarily approve a revision to a collection of information, without providing opportunity for public comment, if the Board determines that a change in an existing collection must be instituted quickly and that public participation in the approval process would defeat the purpose of the collection or substantially interfere with the Board's ability to perform its statutory obligation.

As discussed below, the Board has made certain temporary revisions to the FR Y–14A/Q/M information collection. The Board's delegated authority requires that the Board, after temporarily approving a collection, publish a notice soliciting public comment. Therefore, the Board is also inviting comment on a proposal to extend the FR Y–14A/Q/M information collection for three years, with revision.
