Title of Collection: Evaluation of the Innovative Assessment Demonstration Authority Pilot Program-Preliminary Activities.

OMB Control Number: 1850-NEW.

Type of Review: A new information collection.

Respondents/Affected Public: State, Local and Tribal Governments.

Total Estimated Number of Annual Responses: 60.

Total Estimated Number of Annual Burden Hours: 120.

Abstract: This study will meet the Congressional mandate to evaluate the Innovative Assessment Demonstration Authority Pilot Program (IADA). The program (Title I, Section 1204 of the Every Student Succeeds Act, or ESSA) allows the U.S. Department of Education to exempt a handful of states from certain testing requirements if they agree to pilot new types of assessments. The study will produce a "Progress Report" and a "Best Practices Report," as mandated by Congress. The Progress Report will be based on existing documents from pilot states. The subsequent Best Practices Report will add, via surveys, the perspectives of district leaders, principals, and teachers on the development, implementation, and outcomes of IADA assessments. These reports will help the Department appropriately target its technical assistance to tackle the largest barriers to adequate progress in pilot states, and provide a valuable guide for other states

that may want to develop a new assessment in the future.
