DEPARTMENT OF JUSTICE

Notice Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

On September 15, 2020 the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Southern District of Iowa in the lawsuit entitled *United States v. Dico, Inc. and Titan Tire Corporation*, Civil Action No. 4:10–cv–00503–RP–RAW.

The United States filed this lawsuit under the Comprehensive Environmental Response, Compensation, and Liability Act (“CERCLA”). The United States’ complaint sought civil penalties and punitive damages against Dico, Inc. for violations of an EPA order at the Des Moines TCE Superfund Site and the recovery of the United States’ past and future response costs at the Southern Iowa Mechanical (“SIM”) Site against Dico, Inc. and Titan Tire Corporation jointly and severally. The United States obtained judgments against Dico, Inc. for \$1.62 million in civil penalties and \$5.45 million in punitive damages, and against Dico, Inc. and Titan Tire Corporation jointly and severally for past response costs of \$5.45 million and all future response costs at the SIM Site. The Consent Decree requires the Defendants and their ultimate parent company, Titan Tire International, Inc., jointly and severally, to pay \$11.5 million to satisfy these judgments and a separate judgment obtained by the United States on March 29, 2000 in Case No. 4–95–cv–10289 (S.D. Iowa) against Dico, Inc. for \$4.12 million in past response costs at the Des Moines TCE Site. The Consent Decree also requires Dico, Inc. to donate or convey the Dico Property to the City of Des Moines (the “City”) for no more than \$10.00. Under the Consent Decree, the City will undertake certain response actions at the Dico Property, including ongoing

operation and maintenance of the groundwater treatment remedy. EPA will also undertake certain response actions at the Site under the Consent Decree, including demolition of the remaining contaminated buildings, a removal action at the South Pond, and an upgrade to the groundwater treatment system. In exchange for these commitments, the United States agrees not to sue the Defendants, Titan International, Inc., and the City under CERCLA Sections 106 and 107.

No more than eight members of the Council shall be members of the same political party.

Council members must be qualified to appraise the programs instituted under ERISA. Appointments are for three-year terms. The Council's prescribed duties are to advise the Secretary with respect to carrying out his functions under ERISA, and to submit to the Secretary, or his designee, related recommendations. The Council will meet at least four times each year.

The terms of five Council members expire at the end of this year. The groups or fields they represent are as follows:

- (1) Employee organizations;
- (2) employers;
- (3) the general public;
- (4) corporate trust; and
- (5) investment management.

The Department of Labor is committed to equal opportunity in the workplace and seeks a broad-based and diverse Council.

If you or your organization wants to nominate one or more people for appointment to the Council to represent one of the groups or fields specified above, submit nominations to Christine Donahue, Council Executive Secretary, as email attachments to

donahue.christine@dol.gov or by mail to U.S. Department of Labor, 200 Constitution Ave. NW, Suite N–5700, Washington, DC 20210. Nominations must be received on or before November 6, 2020. The Department will not consider nominations received after November 6, 2020. If sending electronically, please use an attachment in rich text, Word, or pdf format. Please allow three weeks for regular mail delivery to the Department of Labor. Nominations may be in the form of a letter, resolution, or petition signed by the person making the nomination or, in the case of a nomination by an organization, by an authorized representative of the organization. The Department of Labor encourages you to include additional supporting letters of nomination. The Department of Labor will not consider self-nominees who have no supporting letters.

Nominations, including supporting letters, should:

- State the person's qualifications to serve on the Council (including any particular specialized knowledge or experience relevant to the nominee's proposed Council position);
- state that the candidate will accept appointment to the Council if offered;
- include which of the five positions (representing groups or fields) you are nominating the candidate to fill;
- include the nominee's full name, work affiliation, mailing address, phone number, and email address;
- include the nominator's full name, work affiliation, mailing address, phone number, and email address;
- include the nominator's signature, whether sent by email or otherwise.

Please do not include any information that you do not want publicly disclosed.

The Department of Labor will contact nominees for information on their political affiliation and their status as registered lobbyists. Anyone currently subject to federal registration requirements as a lobbyist is not eligible for appointment. Nominees should be aware of the time commitment for attending meetings and actively participating in the work of the Council. Historically, this has meant a commitment of at least 20 days per year. The Department of Labor has a process for vetting nominees under consideration for appointment.

Signed at Washington, DC, this 16th day of September, 2020.

Jeanne Klinefelter Wilson,

Acting Assistant Secretary, Employee Benefits Security Administration.
