SUPPLEMENTARY INFORMATION: The subject amendment to Permit No. 23807 is requested under the authority of the Marine Mammal Protection Act of 1972, as amended (16 U.S.C. 1361 *et seq.*), and the regulations governing the taking and importing of marine mammals (50 CFR part 216).

Permit No. 23807, issued on June 11, 2020 (85 FR 35637), authorizes the permit holder to film bottlenose dolphins (*Tursiops truncatus*) by land, vessel, and unmanned aircraft systems in coastal waters off of Charleston County, South Carolina, for a wildlife documentary series that reveals the unique behaviors and adaptations that set different families of animals apart. The permit holder is requesting the permit be amended to include authorization to increase the number of bottlenose dolphins that can be filmed from 630 to 720, annually. In addition, the permit holder is requesting to expand the filming area to up to 3 miles offshore from Charleston County.
