TA–1155 (Second Review)]

### Commodity Matchbooks From India; Scheduling of Expedited Five-Year Reviews

**AGENCY:** United States International  
Trade Commission.

**ACTION:** Notice.

**SUMMARY:** The Commission hereby gives notice of the scheduling of expedited reviews pursuant to the Tariff Act of 1930 (“the Act”) to determine whether revocation of the countervailing and antidumping duty orders on commodity matchbooks from India would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time.

**DATES:** June 5, 2020.

**FOR FURTHER INFORMATION CONTACT:**

Alejandro Orozco (202–205–3177), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission’s TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for these reviews may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>.

**SUPPLEMENTARY INFORMATION:**

*Background.*—On June 5, 2020, the Commission determined that the domestic interested party group response to its notice of institution (85 FR 12334, March 2, 2020) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.<sup>1</sup> Accordingly, the Commission determined that it would conduct expedited reviews

pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).

For further information concerning the conduct of these reviews and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Please note the Secretary’s Office will accept only electronic filings at this time. Filings must be made through the Commission’s Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

*Staff report.*—A staff report containing information concerning the subject matter of the reviews will be placed in the nonpublic record on September 28, 2020, and made available to persons on the Administrative Protective Order service list for these reviews. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission’s rules.

*Written submissions.*—As provided in section 207.62(d) of the Commission’s rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,<sup>2</sup> and any party other than an interested party to the reviews may file written comments with the Secretary on what determination the Commission should reach in the reviews. Comments are due on or before October 5, 2020 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by October 5, 2020. However, should the Department of Commerce (“Commerce”) extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce’s final results is three business days after the issuance of Commerce’s results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission’s rules. The Commission’s *Handbook on Filing Procedures*, available on the Commission’s website at [https://www.usitc.gov/documents/handbook\\_](https://www.usitc.gov/documents/handbook_)

<sup>2</sup> The Commission has found the response to its notice of institution filed on behalf of domestic producer D.D. Bean & Sons Co. to be individually adequate. Comments from other interested parties will not be accepted (see 19 CFR 207.62(d)(2)).

*on filing procedures.pdf*, elaborates upon the Commission’s procedures with respect to filings.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

*Determination.*—The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

**Authority:** These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission’s rules.

By order of the Commission.

Dated: September 23, 2020.

#### Request for Information on Proposed Transfer of Ticket to Work Program From the Social Security Administration to the U.S. Department of Labor

**AGENCY:** Office of Disability Employment Policy, U.S. Department of Labor.

**ACTION:** Request for information.

**SUMMARY:** The Social Security Administration’s (SSA) Ticket to Work and Self-Sufficiency Program (Ticket program) is intended to assist adult disability beneficiaries in becoming employed, yet relatively few disability beneficiaries have successfully participated in the program. In order to strengthen the Ticket program, the President’s Budget for Fiscal Year 2021 includes a legislative proposal to improve program structure and coordination and transfer administration of the program to the Department of Labor (DOL), in order to better integrate the program into the public workforce system and better serve disability beneficiaries who want to work. This request for information (RFI) seeks public input regarding how the proposed changes to the Ticket program would impact disability beneficiaries who want to work and the systems that currently serve their employment and related needs, and to identify critical considerations for designing and implementing an improved program.
