

including the validity of the methodology and assumptions used;—Enhance the quality, utility, and clarity of the information to be collected; and/or—Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

1. *Type of Information Collection:* New Optional Collection.
2. *The Title of the Form/Collection:* Certification and Release of Records.
3. *The Agency Form Number:* Form EOIR-59. The applicable component within the Department of Justice is the Office of the General Counsel, Executive Office for Immigration Review.
4. *Affected public who will be asked or required to respond, as well as a brief abstract:*
Primary: Individuals.
Other: None.
Abstract: This information collection is necessary to prevent unauthorized disclosure of records of individuals maintained by the Department of Justice, and allows parties who are, or were, in proceedings before EOIR to disclose or release their records to an attorney, accredited representative, qualified organization, or other third party.
5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that there are 50,596 respondents, 50,596 annual responses, and that each response takes 10 minutes to complete.
6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated public burden associated with this collection is 8,433 hours. It is estimated that respondents will take 10 minutes to complete a questionnaire. The burden hours for collecting respondent data sum to 8,433 hours (50,596 respondents × 10 minutes per response = 8,433 hours).

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Judgment Under The Clean Air Act

On September 24, 2020, the Department of Justice lodged a proposed consent judgment with the United States District Court for the Eastern District of New York in the lawsuit entitled *United States of America v. Town of Brookhaven, New York*, Case No. 2:20-CV-4522.

The United States filed this lawsuit to seek civil penalties and injunctive relief for violations of the Clean Air Act, 42 U.S.C. 7401 *et seq.* (“CAA”). The alleged violations stem from the Town of Brookhaven’s (“Brookhaven”) failure to comply with the CAA’s New Source Performance Standards for landfills, the National Emission Standards for Hazardous Air Pollutants for landfills, and provisions of the Town’s Title V operating permit.

The Consent Judgment requires Brookhaven to implement injunctive relief that includes: (i) Proper operation of its landfill gas and sulfur dioxide control systems; (ii) installation and operation of a hydrogen sulfide gas monitoring system; (iii) conducting a survey of, and then addressing, high temperatures within the landfill; and (iv) installation and operation of a new taller flare. Further, Brookhaven will install a 350-panel solar energy conversion system. The Consent Judgment also requires Brookhaven to pay a civil penalty of \$249,166.

The publication of this notice opens a period for public comment on the proposed Consent Judgment. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *Town of Brookhaven, New York*, Civil Action No. 2:20-CV-4522, D.J. Ref. No. 90-5-2-1-09884/1. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:
