#### SUPPLEMENTARY INFORMATION:

##### I. Need for Corrections

The Agency published a final rule on July 14, 2020, (85 FR 42494-42580) for the purpose of implementing a unified guaranteed loan platform for enhanced

delivery of four of its existing guaranteed loan programs: Community Facilities (CF) administered by the Rural Housing Service; Water and Waste Disposal (WWD) administered by the Rural Utilities Service; and, Business and Industry (B&I) and Rural Energy for America Program (REAP) administered by the Rural Business-Cooperative Service. The Agency discovered that errors and omissions were made during the drafting process that impact the successful implementation of this regulation. The following items will be addressed in this technical correction:

The removal of Supplementary Information language referring to a reduced guarantee in the Agency's response to a question regarding issuance of the loan note guarantee prior to the completion of construction. The Agency determined that the reduction is not necessary due to implementation of other risk mitigation measures.

Modifying language at § 5001.2 (e) to clarify intent.

Division B, Title I of the CARES Act supplemented existing authority in 7 CFR part 4279 for the Business and Industry program and was implemented after development of the OneRD final rule, but prior to the effective date of the OneRD rule. In order to continue to administer loans authorized under the CARES Act, 7 CFR part 4279 and Subpart B of Part 4287 are still needed. Therefore, it is necessary to remove Supplementary Information language and delete the amendment to remove and reserve 7 CFR part 4279 and Subpart B of 7 CFR part 4287. These parts continue to be necessary to originate Business & Industry CARES Act Program loans, and service Business and Industry CARES Act Program loans and B&I loans guaranteed by the Agency prior to October 1, 2020. Amendments have been added to revise 7 CFR 4279.1, 4279.101, and 4287.101 accordingly.

Modification of the definition of non-regulated lending entity at § 5001.3, to remove language that does not apply nor further the meaning of the definition.

Addition of language at § 5001.102(d) to clarify that long-term financing to pay off a lender's interim construction loan after project completion will not be treated as debt refinancing in this section.

Addition of language at end of § 5001.102(d)(3) to clarify that (4) is included with § 5001.102(d)(1) to (3).

Correction of language at § 5001.115(n) and an addition of a new paragraph (s) that was inadvertently missed.

Removal of § 5001.118(b)(3) as this information was duplicative.

Modification to the list of regulated lending entities at § 5001.130(b) to include other lending entities not specified, but that meet the eligibility requirements. This language was inadvertently left out of the regulation during drafting.

Addition of paragraph § 5001.121(a)(4) to include refinancing as an eligible use of CF loan funds. The paragraph was inadvertently left out during the drafting of the regulation.

Addition of paragraph § 5001.121(c)(12) to include refinancing as an eligible use of WWD loan funds.

The paragraph was inadvertently left out during the drafting of the regulation.

Addition of paragraph § 5001.121(c)(12) to include refinancing as an eligible use of B&I loan funds. The paragraph was inadvertently left out during the drafting of the regulation.

Removal of the last sentence in § 5001.202(b)(4)(ii). This sentence was inadvertently left in during the drafting of the regulation.

Removal of language at § 5001.205(e) referencing closure of a lender's construction loan as the reference should be to the guaranteed loan.

Additional items were added to the list of provisional content for a complete application at § 5001.303(c). These items are included in the program specific areas but were not included in this section.

Modifying language at § 5001.408 clarifying how a lender may obtain participation in the loan or assign all or part of the guaranteed portion of the guaranteed loan on the secondary market and that that any assignment by the lender of the guaranteed portion of the loan must be accomplished in accordance with the conditions in the lender's agreement and the assignment of the guaranteed or non-guaranteed portion of the loan applies to all individuals, not just the borrower as well as making changes to terminology.

Modifying language at § 5001.450(b)(1) to remove duplicative language.

Modifying language at § 5001.452(b) to improve readability.

Adding language at § 5001.453 to advise holders the Agency will provide

a certificate of incumbency to verify the signature and title of the Agency official who signs the assignment guarantee agreement.

Removing § 5001.459(c) as it is no longer applicable.

Modifying language at § 5001.511 to improve readability.

Removing § 5001.515(c) as it is no longer applicable.

Removal of § 5001.524(d) which allowed the Agency to terminate the loan note guarantee for good cause. The Agency determined that this paragraph was duplicative of other language in the regulation.

The Agency, while drafting the regulation, inadvertently used sale and assign interchangeably when the correct term is assign. The Agency is taking the opportunity to correct this. Various spelling and grammar items were also corrected.

■ 22. On pages 42572 in the second column and continuing onto page 42573, § 5001.511 is revised to read as follows:

**§ 5001.511 Repurchases from holders.**

(a) *General.* A holder can make written demand on either the lender or the Agency to repurchase the unpaid guarantee portion of the loan when the borrower is in monetary default or when

the lender has failed to pay the holder its pro-rata share of any payment made by the borrower within 30 days of the lender’s receipt thereof from the borrower. When making written demand on the lender, the holder must concurrently send a copy of the demand letter to the Agency.

(1) The lender is encouraged to repurchase the guarantee, upon written demand of a holder, to facilitate the accounting of funds, resolve any loan problem, and resolve the monetary default, where and when reasonable. The benefit to the lender is that it may re-assign the guaranteed portion of the loan and then continue collection of its servicing fee, if any, when the monetary default is cured.

(2) When a lender receives a written demand for repurchase from a holder, the lender must notify any other holder and the Agency within 30 calendar days of receipt of the written demand. The lender must inform all parties if the lender will repurchase the unpaid guaranteed portion of the loan from the requesting holder.

(3) Upon repurchase the holder will re-assign the assignment guarantee agreement to the lender without recourse.

(b) *Repurchase by lender for loan servicing purposes.* If the lender, borrower, and holder are unable to agree to restructuring of loan repayment, interest rate, or loan terms to resolve any loan problem or resolve any default, and repurchase of the guaranteed portion of the loan is necessary to adequately service the loan, the holder must reassign the guaranteed portion of the loan to the lender. The reassignment must be for an amount not less than the holder’s unpaid principal and accrued interest, in accordance with § 5001.450(c) of this part, on such portion less the lender’s servicing fee.

(1) Upon repurchase the holder will re-assign the assignment guarantee agreement to the lender without recourse.

(2) The lender must not repurchase from the holder for arbitrage or other purposes to further its own financial gain.

(3) Any repurchase from a holder may only be made after the lender obtains the Agency’s written approval.

(c) *Agency repurchase.* If the lender does not repurchase the guaranteed portion from the holder, the Agency may, at its option, purchase such guaranteed portion of the loan for loan servicing purposes. A holder can submit a written demand to the Agency for repurchase only if the lender declines to repurchase. If a prior written demand was not made upon the lender, the

Agency will notify the lender and allow up to seven calendar days for the lender to exercise their option to repurchase as provided in this section.

(1) *Lender does not repurchase.* If the lender does not repurchase the unpaid guaranteed portion of a loan as provided in paragraph (a) of this section, the Agency will, within 30 calendar days after written demand to the Agency from the holder, purchase from the holder the unpaid principal balance of the guaranteed portion together with accrued interest to date of repurchase or the interest termination date, whichever is sooner, less the lender’s servicing fee. The guarantee will pay accrued interest to the holder on the loan as determined under § 5001.450(c) of this part.

(2) *Written demand content.* The holder must include in its written demand to the Agency:

(i) A copy of the written demand made upon the lender;

(ii) A copy of the lender’s denial to repurchase the unpaid guaranteed portion of the guaranteed loan;

(iii) Evidence of the right to require payment from the Agency as provided by the holder or duly authorized agent.

Such evidence must consist of the original assignment guarantee agreement properly assigned to the Agency without recourse including all rights, title, and interest in the loan;

(iv) The amount due including unpaid principal, unpaid interest to date of demand, and interest subsequently accruing from date of demand to proposed payment date; and

(v) When the initial holder has assigned its interest, the original assignment guarantee agreement and an original of each Agency-approved reassignment document in the chain of ownership, with the latest reassignment being assigned to the Agency without recourse, including all rights, title, and interest in the guarantee.

(3) *Payment.* Unless otherwise agreed upon, payment will not be later than 30 calendar days from the date of demand.

(i) Upon request by the Agency, the lender must promptly furnish (within 30 calendar days of such request) a current statement, certified by an appropriate authorized officer of the lender, of the unpaid principal and interest then owed by the borrower on the loan and the amount then owed to any holder, along with the information necessary for the Agency to determine the appropriate amount due the holder.

(ii) Any discrepancy between the amount claimed by the holder and the information submitted by the lender must be resolved between the lender and the holder before payment will be approved. The Agency will notify both

parties and such conflict will suspend the running of the 30-calendar-day payment requirement.

(iii) If a repurchase of a guaranteed loan includes the capitalization of interest, interest accrued on the capitalized interest will not be paid to the holder.

(4) *Subrogation*. When the Agency purchases a loan from a holder it assumes all rights that were previously held by the holder.

(5) *Servicing fee*. When the Agency purchases the guaranteed portion of the loan from a holder, the lender's servicing fee will stop on the date that interest was last paid by the borrower. The lender can neither charge a servicing fee to the Agency nor collect such fee from the Agency.

(6) *Accrued interest*. If the Agency repurchases 100 percent of the guaranteed portion of a loan and becomes the holder, interest accrual on the loan will cease until the lender resumes remittance of the pro rata payments to the Agency.

(7) *Establishing interest termination date*. When a guaranteed loan has been delinquent more than 60 calendar days and no holder comes forward or when the lender has accelerated the account, and subject to the expiration of any forbearance or workout agreement, the lender, or the Agency at its sole discretion, must issue a letter to the holder(s) establishing the interest termination date in accordance with § 5001.450(c)(2).

(8) *Obligations and rights*. Purchase by the Agency neither changes, alters, or modifies any of the lender's obligations to the Agency arising from the lender's agreement, guaranteed loan or loan note guarantee, nor does it waive any of the Agency's rights against the lender. The Agency will have the right to set-off against the lender all rights inuring to the Agency as the holder of the instrument against the Agency's obligation to the lender under the loan note guarantee.

(9) *Accelerated loan*. When the lender has accelerated the loan and the lender holds all or a portion of the guaranteed loan, an estimated loss claim must be filed by the Lender with the Agency within 60 calendar days from the date the loan was accelerated. Accrued interest paid to the lender in accordance with § 5001.450(c)(1).

(10) *Interest termination during bankruptcy*. When a borrower files a Chapter 7 liquidation plan, the lender shall immediately notify the Agency and submit a liquidation plan. The Agency will establish an interest termination date based on the date Interest was last paid to the lender.

When a borrower files either a Chapter 9 or Chapter 11 bankruptcy restructuring plan, the Agency and lender shall meet to discuss the bankruptcy procedure, the ability of the borrower to meet their restructuring plan, the lender's treatment of accruing interest, and potentially establish an interest termination date for the guaranteed loan. If the restructuring bankruptcy Chapter 9 or Chapter 11 is converted to a liquidation bankruptcy Chapter 7 by court order, the interest termination date will be the date of such conversion.

### Reactor Vessel Material Surveillance Program

**AGENCY:** Nuclear Regulatory Commission.

**ACTION:** Direct final rule.

**SUMMARY:** The U.S. Nuclear Regulatory Commission (NRC) is amending the reactor vessel material surveillance program requirements for commercial light-water power reactors. This direct final rule revises the requirements associated with the testing of specimens contained within surveillance capsules and reporting the surveillance test results. This direct final rule also clarifies the requirements for the design of surveillance programs and the capsule withdrawal schedules for surveillance capsules in reactor vessels purchased after 1982. These changes reduce regulatory burden, with no effect on public health and safety.
