DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

September 30, 2020.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104–13. Comments are required regarding; whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by November 4, 2020 will be considered. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it

displays a currently valid OMB control number.

Farm Service Agency

Title: Customer Data Worksheet Request for Business Partner Record Change.

OMB Control Number: 0560–0265.

Summary of Collection: Core

Customer Data is required in order to identify USDA program participants who are individual persons and legal entities. The Core Customer Data is necessary to ensure that benefits are issued to the correct customer and valid Tax Identification Numbers. USDA requires this data to ensure that customers can be validated and also to provide a necessary basis for pursuing legal remedies in the event of error or fraud. There is no public law regarding the use or collection of Core Customer Data. The option to document and track Core Customer Data changes is necessary to ensure the integrity of the data and to provide the Farm Service Agency (FSA), Natural Resources and Conservation Service and Rural Development (RD, Risk Management Agency (RMA), and Agricultural Marketing Service (AMS), a method of verifying the validity of the information, and provide a necessary basis for pursuing legal remedies when needed.

Need and Use of the Information:

Core Customer Data is necessary to input customer information for identity purposes and to provide a point of contact for the respective customer and a valid Tax Identification Number to direct program benefits to. The AD–2047 will be used to document Core Customer Data changes and also to provide a method to identify who made applicable changes and when this was done. Failure to collect and timely maintain the data collected will result in erroneous/out dated point of contact information, which could result in program information and benefits being directed to incorrect recipients.

Description of Respondents: Individuals or households.

Number of Respondents: 109,774.

Frequency of Responses: Reporting: Other (when necessary).

Total Burden Hours: 5,489.

Assessment of Fees for Dairy Import Licenses for the 2021 Tariff-Rate Import Quota Year

AGENCY: Foreign Agricultural Service, USDA.

ACTION: Notice.

SUMMARY: This notice announces a fee of \$290 to be charged for the 2021 tariff-rate quota (TRQ) year for each license issued to a person or firm by the Department of Agriculture authorizing the importation of certain dairy articles, which are subject to tariff-rate quotas set forth in the Harmonized Tariff Schedule (HTS) of the United States.

DATES: October 5, 2020.

FOR FURTHER INFORMATION CONTACT:

Abdelsalam El-Farra, Import Programs, Multilateral Affairs, Trade Policy and Geographic Affairs, Foreign Agricultural Service, U.S. Department of Agriculture, Stop 1070, 1400 Independence Avenue SW, Washington, DC 20250–1070; by phone: (202) 720–9439 or by email at: abdelsalam.el-farra@usda.gov.

SUPPLEMENTARY INFORMATION:

The Dairy Tariff-Rate Quota Import Licensing Regulation promulgated by the Department of Agriculture and codified at 7 CFR 6.20–6.36 provides for the issuance of licenses to import certain dairy articles that are subject to TRQs set forth in the HTS. Those dairy articles may only be entered into the United States at the in-quota TRQ tariff-rates by or for the account of a person or firm to whom such licenses have been issued and only in accordance with the terms and conditions of the regulation.

Licenses are issued on a calendar year basis, and each license authorizes the license holder to import a specified quantity and type of dairy article from a specified country of origin. The use of such licenses is monitored by the Import Program within the Foreign Agricultural Service, U.S. Department of Agriculture, and U.S. Customs and Border Protection, U.S. Department of Homeland Security.

The regulation at 7 CFR 6.33(a) provides that a fee will be charged for each license issued to a person or firm by the Licensing Authority to defray the Department of Agriculture's costs of
