OMB Control Number: 2900-0500.

Type of Review: Revision of a currently approved collection.

Abstract: VA Form 21-0538 is used to request verification of the status of dependents for whom additional compensation is being paid to veterans. Without this information, continued entitlement to the benefits for dependents could not be determined.

VA Form 21-0538 has been revised; (1) letter template removed as it was a duplicate of a VA cover letter already in

use, (2) the title has been changed from 'Mandatory Status of Dependents' to *Mandatory Verification of Dependents*, (3) Section II: Status Certification, was added to help delineate whether the veteran is needed to provide additional information on the status of their dependents, or not, (4) the form was changed to include *removals only* as these are dependents that have already been previously added to the veteran's benefits, as another collection is used to add dependents, and (5) an e-signature has been added to provide a digital format for online signatures. The burden estimate has also been decreased.
