

may access this number via TTY by calling the Federal Relay during working hours at 800-877-8339. (This is a toll-free number.) HUD encourages submission of questions about the demonstration be sent to HCVmobilitydemonstration@hud.gov.

SUPPLEMENTARY INFORMATION: On July 15, 2020 (85 FR 42890), HUD published its Notice implementing the HCV Mobility Demonstration, and established October 13, 2020 as the deadline date for the submission of applications. Through the Notice, HUD is making available approximately \$50 million for grants to Public Housing Authorities (PHAs) under a demonstration program authorized by statute.

Today's **Federal Register** publication extends the deadline date for the submission of applications for the HCV Mobility Demonstration program to December 14, 2020. HUD is extending the application submission deadline date to ensure that delays or complications due to the COVID-19 Coronavirus do not cause undue hardship or otherwise prevent applicants from submitting complete applications.

Deadline for Applications

The lead agency shall be responsible for submitting the application to HUD, no later than December 14, 2020. Applications that are submitted after midnight on December 14, 2020, or which fail to include the required elements, will be ineligible for consideration by HUD.

HUD may extend the application deadline for any program if HUD.gov systems are offline or not available to applicants for at least 24 hours immediately prior to the deadline date, or if the system is down for 24 hours or longer and that impacts the ability of applicants to cure a submission deficiency within the grace period. HUD may also extend the application deadline upon request if there is a presidentially-declared disaster in the applicant's area. If these events occur, HUD will post a notice on its website establishing the new, extended deadline for the affected applicants.

R. Hunter Kurtz,

Assistant Secretary for Public and Indian Housing.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD has submitted to OMB a request for approval of the information collection described in Section A. The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on May 18, 2020 at 85 FR 29736.

A. Overview of Information Collection

Title of Information Collection: HUD Multifamily Rental Project Closing Documents.

OMB Approval Number: 2502-0598.

OMB Expiration Date: 09/30/2021.

Type of Request: Revision of currently approved collection.

Form Number Being Revised: HUD-92420M.

Description of the need for the information and proposed use: The form, Subordination Agreement, HUD-92420M, is used in FHA-insured multifamily rental project loan closings with secured, publicly financed secondary debt, often to promote affordable housing. The document is used to subordinate such secured, secondary financing to the lien of the FHA-insured mortgage, which must be in a first lien position as required by the National Housing Act (12 U.S.C. 1701 et. seq.), on terms and conditions that are legally and administratively acceptable to HUD.

The Subordination Agreement is part of a larger information collection (OMB Control No. 2502-0598) that consists of numerous other closing forms (Closing Documents) used in FHA-insured multifamily transactions. The Closing Documents, including the Subordination Agreement, were last updated pursuant to the Paperwork Reduction Act (PRA) in 2018. However, HUD was not able to complete its review of public comments received in connection with the 30-day **Federal Register** notice (83 FR 29815; 30-day notice) published for the previous PRA renewal for the Closing Documents prior to the OMB deadline. Therefore, when HUD initiates a new PRA process for the Closing Documents later this year, it will include, as a starting point, changes HUD anticipated making in response to the public comments received with the 30-day notice.

Notwithstanding, due to concerns that state and local housing finance agencies (HFAs) have expressed concerning certain terms and conditions in the 2018 Subordination Agreement, HUD is initiating this separate PRA renewal effort in order to allow HFAs and other interested members of the public an opportunity to comment on the form and HUD to make agreed upon changes on a more immediate timeline. It is HUD's goal that the PRA process for the Subordination Agreement will result in a form that is widely accepted by HFAs to promote greater efficiency and consistency in the FHA multifamily closing process, while also allowing flexibility for HFA requested changes necessary for state or local law, as discussed immediately below.

Revisions to the Subordination Agreement

HUD added the following instruction at the request of OMB given HUD's policy of considering requested Subordination Agreement changes to accommodate state or local law: "HUD will consider requested changes to this form that are necessary to comply with

state or local law. All such requests must be accompanied by a substantive explanation prepared by counsel to the Subordinate Lender. HUD's written acceptance of any changes for state or local law will result in a template Subordination Agreement—Public, for a given jurisdiction and program. Consistent with the PRA, permission to use any such HUD-approved template will expire upon implementation of the next OMB-approved version of this form. When a new OMB form is issued, public lenders may request HUD consideration of changes to the new form in accordance with the level of flexibility the new form provides." HUD notes that the underlying PRA burden estimate for the Subordination Agreement now accounts for any legal opinions that may be required to justify state or local law changes.

Similarly, HUD added an instruction in section 3(b) to ensure the Subordination Agreement is consistent with existing HUD policy allowing an exception (on a case-by-case basis) to the requirement that the subordinate loan mature no earlier than the FHA-insured senior loan for deal-specific situations where the resulting risk is appropriately underwritten. Outside of this allowance to permit maturity of the subordinate loan before the FHA-insured senior loan and other existing instructions allowing flexibility for certain other terms (e.g., section 3(c)(4) exception to prohibition against compounding interest for LIHTC transactions), HUD does not anticipate accommodating deal-specific requests for additional changes to the form. HFAs and other interested parties are encouraged to request, and provide a rationale for, any changes deemed necessary during this PRA process.

In response to the 30-day notice, one commenter objected to section 3(c) that requires HUD language be inserted into the subordinate note because many subordinate lenders use pre-approved template documents. HUD rejects this comment because FHA-insured multifamily financing is a national program that requires uniformity to ensure fairness and efficiency in closings. Thus, it is critical that every subordinate loan contain the HUD required language in order to accomplish this goal. HUD is, however, sympathetic to the fact that various HFAs have templates that must go through an approval process; therefore, HUD will permit the HUD-required subordinate note language to be incorporated by reference into the subordinate note.

HUD also rejects a comment objecting to section 3(c)(3) that restricts a transfer

of the subordinate note without HUD consent. Section 3(c)(3) reflects HUD's longstanding policy that Surplus Cash Notes are not negotiable instruments or transferable without HUD consent. This policy has been in existence since at least 2011, and since 2002 with the then applicable Secondary Financing Rider that was included in the 2002 MAP Guide. The rationale behind this policy is that HUD needs to be able to assess whether such transfers will cause unacceptable risk to the project.

A commenter objected to the language in section 3(c)(6) that the terms and provisions of the subordinate lender's note are enforceable by HUD and cannot be amended without HUD's consent. HUD rejects this comment. This is standard language in several of the Closing Documents. Changing the terms of the subordinate loan without HUD consent could negatively impact HUD.

In response to an informal comment received from an outside party concerning the policy change previously made in in section 6(b) to allow subordinate lenders to exercise their remedies for subordinate loan defaults after a 180-day standstill, HUD proposes to explicitly clarify that such exercise of remedies is only available for covenant events of default, and not monetary events of default. This clarification is consistent with the rationale discussed in the 60-day **Federal Register** notice published on September 5, 2017 (82 FR 41977).

One commenter took issue with the section 7(b) prohibition against a cross-default provision in the subordinate loan documents. HUD rejects this comment as a cross-default prohibition has been in the form since its adoption in 2011. Numerous transactions with public secondary debt have closed without any objection to the prohibition, which can also be found in the MAP Guide. The FHA lender and HUD must control what happens to the property in the event of a default under the FHA-insured loan and whether to remove the borrower through a foreclosure, not the subordinate lender.

One commenter objected to the requirement in section 10(c) that the maturity on the subordinate loan automatically be extended if the FHA loan is extended due to a deferment of amortization or forbearance. HUD rejects this comment as the language in question reflects current MAP Guide policy to reserve this protection as insurer of the first mortgage loan to allow maximum flexibility in distressed project situations.

HUD agrees with an HFA's request to remove language in section 10(e) that would force a subordinate lender to

allow an ownership change and assumption of its loan upon HUD approval. Further, HUD also agrees with an HFA's request to remove the requirement in section 10(f) that limits the funds the subordinate lender can receive upon transfer or sale of the property to 75% of net proceeds; HUD will be making a corresponding change to remove this requirement from the MAP Guide.
