Title: Designation of Financial Market Utilities.

OMB Control Number: 1505–0239.

Abstract: On July 27, 2011, the Council published in the **Federal Register** a final rule (12 CFR part 1320) that describes the criteria that will inform and the processes and procedures established under the Dodd-Frank Act for the Council's designation of FMUs as systemically important under the Dodd-Frank Act. On July 18, 2012, the Council designated eight FMUs as systemically important under Title VIII of the Dodd-Frank Act.

The collection of information under 12 CFR 1320.11 affords FMUs that are under consideration for designation, or rescission of designation, an opportunity to submit written materials to the Council in support of, or in opposition to, designation or rescission of designation. The collection of information under 12 CFR 1320.12 affords FMUs an opportunity to contest a proposed determination of the Council by requesting a hearing and submitting written materials (or, at the sole

discretion of the Council, oral testimony and oral argument). The collection of information in 12 CFR 1320.14 affords FMUs an opportunity to contest the Council's waiver or modification of the notice, hearing, or other requirements contained in 12 CFR 1320.11 and 1320.12 by requesting a hearing and submitting written materials (or, at the sole discretion of the Council, oral testimony and oral argument). The information collected from FMUs under 12 CFR 1320.20 will be used by the Council to determine whether to designate an additional FMU or to rescind the designation of a designated FMU.
