C. Ex Parte Communication

In the seventh triennial rulemaking, in response to stakeholder requests, the Office issued written guidelines under which interested non-governmental participants could request informal communications with the Office during the post-hearing phase of the proceeding. The Office expects to follow substantially the same process in this proceeding. To ensure transparency, participating parties will be required to submit a list of attendees and a written summary of any oral communications, which will be posted on the Office’s website. Specific guidelines for this proceeding will be made available following the public hearings. No *ex parte* communications with the Office regarding this proceeding will be permitted prior to the post-hearing phase.

New Mailing Standards for Domestic Mailing Services Products

AGENCY: Postal Service™.

ACTION: Proposed rule.

The Postal Service's proposed rule includes: Changes to prices, mail classification updates, and product simplification efforts.

Seamless Acceptance Incentive

Currently, mailers who present qualifying full-service mailings receive an incentive discount of \$.003 per piece for USPS Marketing Mail and First-Class Mail and \$.001 for Bound Printed Matter flats and Periodicals.

The Postal Service is proposing an incentive discount for mailers who mail through the Seamless Acceptance program, in addition to the full-service incentive discount.

Beginning on the day of their first mailing, following onboarding to the program the mailer or mail service provider, as applicable, will receive an incentive discount in addition to the full-service incentive discount. The mailer would be allowed to combine the Seamless and full-service incentive discounts. The Seamless incentive discount would be based on a mailer's customer registration ID (CRID). A Seamless mailer is defined by their status in *PostalOne!*. Moving to Seamless is defined as the status changing from “None” or “Seamless Parallel” to “Seamless Acceptance”.

The proposal would leave the full-service discount exactly as it is now and provide a \$.001 per piece incentive discount for Seamless. The maximum incentive discount per piece is \$.004 for USPS Marketing Mail and First-Class Mail and \$.002 for Bound Printed Matter flats and Periodicals.

Although exempt from the notice and comment requirements of the Administrative Procedure Act (5 U.S.C. 553(b), (c)) regarding proposed rulemaking by 39 U.S.C. 410(a), the Postal Service invites public comments on the following proposed revisions to *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM), incorporated by reference in the Code of Federal Regulations. See 39 CFR 111.1.

We will publish an appropriate amendment to 39 CFR part 111 to reflect these changes if our proposal is adopted.
