Forged Steel Fittings From the Republic of Korea: Final Affirmative Determination of Sales at Less Than Fair Value

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) determines that forged steel fittings (FSF) from the Republic of Korea (Korea) are being, or are likely to be, sold in the United States at less than fair value (LTFV).

DATES: Applicable October 19, 2020.

FOR FURTHER INFORMATION CONTACT: Caitlin Monks, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2670.

SUPPLEMENTARY INFORMATION:

Background

On May 28, 2020, Commerce published the *Preliminary Determination* in this investigation.¹ A summary of the events that occurred since Commerce published the *Preliminary Determination*, as well as a full discussion of the issues raised by parties for this final determination, may be found in the Issues and Decision Memorandum.²

Period of Investigation

The period of investigation is October 1, 2018 through September 30, 2019.

¹ See *Forged Steel Fittings from the Republic of Korea: Preliminary Affirmative Determination of Sales at Less Than Fair Value, Postponement of Final Determination, and Extension of Provisional Measures*, 85 FR 32010 (May 28, 2020) (*Preliminary Determination*), and accompanying Preliminary Decision Memorandum (PDM).

² See Memorandum, “Issues and Decision Memorandum for the Final Determination in the Less-Than-Fair-Value Investigation of Forged Steel Fittings from the Republic of Korea,” dated concurrently with, and hereby adopted by, this notice (Issues and Decision Memorandum).

Scope of the Investigation

The products covered by this investigation are forged steel fittings from Korea. For a complete description of the scope of this investigation, see Appendix I.

Scope Comments

On May 20, 2020, we issued a Preliminary Scope Decision Memorandum.³ Between June and July 2020, we received additional scope comments from several interested parties. In response to these comments, we have made changes to the scope of the investigation for this final determination. For a full discussion and analysis of the scope comments timely received, see the Final Scope Decision Memorandum.⁴

Analysis of Comments Received

All issues raised in the case briefs and rebuttal briefs submitted by interested parties in this proceeding are addressed in the Issues and Decision Memorandum. A list of the issues raised by parties and responded to by Commerce in the Issues and Decision Memorandum is attached to this notice as Appendix II. The Issues and Decision Memorandum is a public document and is available electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/index.html>. The signed and electronic versions of the Issues and Decision Memorandum are identical in content.

Verification

Commerce normally verifies information relied upon in making final determination, pursuant to section 782(i)(1) of the Tariff Act of 1930, as amended (the Act). However, during the course of this investigation, Commerce was unable to conduct on-site verification due to travel restrictions. Accordingly, Commerce took additional steps in lieu of verification, as discussed further in the Issues and Decision Memorandum. Consistent with section

³ See Memorandum, “Forged Steel Fittings from India and the Republic of Korea: Scope Comments Preliminary Decision Memorandum,” dated May 20, 2020 (Preliminary Scope Decision Memorandum).

⁴ See Memorandum, “Forged Steel Fittings from India and the Republic of Korea: Final Scope Decision Memorandum” (Final Scope Decision Memorandum), dated concurrently with this final determination.

776(a)(2)(D) of the Act, Commerce relied on the information submitted on the record as facts available in making our final determination.

Changes Since the Preliminary Determination

Based on our analysis of the comments received and additional information obtained since our preliminary findings, we made certain changes to the margin calculations for Samyoung Fitting Co., Ltd. (Samyoung), the sole cooperative respondent in this investigation, since the *Preliminary Determination*. For a discussion of these changes, see the Issues and Decision Memorandum.

All-Others Rate

Section 735(c)(5)(A) of the Act provides that the estimated weighted-average dumping margin for all other producers and exporters not individually investigated shall be equal to the weighted average of the estimated weighted-average dumping margins established for individually investigated exporters and producers, excluding any margins that are zero or *de minimis* or any margins determined entirely under section 776 of the Act.

In this investigation, Commerce calculated an estimated weighted-average dumping margin for Samyoung that is not zero, *de minimis*, or based entirely on facts otherwise available. Commerce determined the all-others rate using the estimated weighted-average dumping margin calculated for Samyoung, the sole cooperative respondent.

Final Determination

The estimated weighted-average dumping margins are as follows:

Exporter/producer	Estimated weighted-average dumping margin (percent)
Samyoung Fitting Co., Ltd	17.08
Sandong Metal Industry Co., Ltd	** 198.38
ZEOtech Co., Ltd	** 198.38
Pusan Coupling Corporation	** 198.38
Shinchang Industries	** 198.38
Shinwoo Tech	** 198.38
Titus Industrial Korea Co, Ltd	** 198.38
All Others	17.08
