Regarding all other Federal contractors and subcontractors, there are no adverse legal consequences for choosing not to participate in this request for information. This request for information is strictly voluntary; it simply offers Federal contractors and subcontractors an opportunity in the exercise of OFCCP's enforcement discretion to come into compliance with their legal obligations to the extent they have concerns.

V. Conclusion

Pursuant to Executive Order 13950, OFCCP invites Federal contractors, Federal subcontractors, and employees of Federal contractors and subcontractors to submit comments, information, and materials as described above. This request for information will enable OFCCP to better combat race and sex stereotyping and scapegoating within the contractor community.

Director, OFCCP.
