Title: VA Health Benefits: Application, Update, and Hardship Determination, VA Forms 10-10EZ, 10-10EZB and 10-10HS.

OMB Control Number: 2900-0091.

Type of Review: Extension of a currently approved collection.

Abstract: Title 38 U.S.C. Chapter 17 authorizes VA to provide hospital care, medical services, domiciliary care, and nursing home care to eligible Veterans. Title 38 U.S.C. 1705 requires VA to design, establish, and operate a system of annual patient enrollment in accordance with a series of stipulated priorities. Title 38 U.S.C. 1722 establishes eligibility assessment procedures for cost-free VA medical care, based on income levels, which determines whether nonservice-connected and 0% service-connected non-compensable Veterans are able to defray the necessary expenses of care for nonservice-connected conditions. Further, when the Veteran projects that his or her attributable income for the current calendar year would be substantially below the applicable income thresholds, the Veteran would be considered unable to defray the expenses of care and VA may exempt the Veteran from the requirement to pay copayments for hospital or outpatient care.

This collection of information is required to properly administer health benefits to eligible Veterans.
