

SUPPLEMENTARY INFORMATION: Proposed Agenda: The HRPAC's mission is to issue best practices concerning (1) how voice service providers can better combat unlawful robocalls made to hospitals; (2) how hospitals can better protect themselves from such calls, including by using unlawful robocall mitigation techniques; and (3) how the Federal Government and State governments can help combat such calls. The agenda for the meeting will consist of a briefing by the three HRPAC Working Groups on their respective robocall mitigation best practices recommendations, as required by the TRACED Act, and voting by the HRPAC on those recommendations. This agenda may be modified at the discretion of the HRPAC Chair and the DFO. The meeting will be conducted in a wholly electronic format.

The December 14th meeting will be open to members of the general public via live broadcast over the internet from the FCC Live web page at <http://www.fcc.gov/live/>. The public may also follow the meeting on Twitter @fcc or via the Commission's Facebook page at www.facebook.com/fcc. Members of the public may submit any questions that arise during the meeting to livequestions@fcc.gov.

Open captioning will be provided for the live stream. Other reasonable accommodations for persons with disabilities are available upon request. To request an accommodation, or for materials in accessible formats for persons with disabilities (Braille, large print, electronic files, audio format), send an email to fcc504@fcc.gov or call the Consumer and Governmental Affairs Bureau at (202) 418-0530 (voice), (202) 418-0432 (TTY). Such requests should include a detailed description of the accommodation needed. In addition, please include a way for the Commission to contact the requester if more information is needed to fulfill the request. Please provide at least five days' advance notice for your request; last-minute requests will be accepted but may not be possible to accommodate.

Federal Communications Commission.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Solicitation of Nominations for Appointment to the Lead Exposure and Prevention Advisory Committee (LEPAC)

ACTION: Notice.

SUMMARY: The Centers for Disease Control and Prevention (CDC) is soliciting nominations for membership on the LEPAC. The LEPAC consists of 15 Federal and non-Federal experts in fields associated with lead screening, the prevention of lead exposure, and services for individuals and communities affected by lead exposure. Nominations are being sought for individuals who have expertise and qualifications necessary to contribute to the accomplishment of the committee's objectives. Nominees will be selected based on expertise in the fields of epidemiology, toxicology, mental health, pediatrics, early childhood education, special education, diet and nutrition, and environmental health. Members may be invited to serve for three-year terms. Selection of members is based on candidates' qualifications to contribute to the accomplishment of LEPAC objectives.

DATES: Nominations for membership on the LEPAC must be received no later than December 15, 2021. Packages received after this time will not be considered for the current membership cycle.

ADDRESSES: All nominations should be emailed to LEPAC@cdc.gov.

FOR FURTHER INFORMATION CONTACT: Ms. Perri Ruckart, M.P.H., Designated Federal Officer, National Center for Environmental Health, CDC, 4770 Buford Highway, Atlanta, GA 30341, 770-488-3300, PRuckart@cdc.gov.

SUPPLEMENTARY INFORMATION: The members of this committee are selected by the Secretary of the U.S. Department of Health and Human Services (HHS). The committee advises the Secretary, HHS and the Director, Centers for Disease Control and Prevention/ Administrator, Agency for Toxic Substances and Disease Registry on a range of activities to include: (1) Review of Federal programs and services available to individuals and communities exposed to lead; (2) review of the current research on lead exposure to identify additional research needs; (3) review of and identification of best practices, or the need for best practices regarding lead screening and the prevention of lead exposure; (4) identification of effective services, including services relating to healthcare, education, and nutrition for individuals and communities affected by lead exposure and lead poisoning, including in consultation with, as appropriate, the lead exposure registry as established in Public Law 114-322 Section 2203(b) (42 U.S.C. 300j-27); and (5) undertaking of any other review or activities that the Secretary determines to be appropriate.
