SUPPLEMENTARY INFORMATION:

Description: The components of this information request include:

1. *Care Provider Facility Tour Request (Form A-1A):* This instrument is used by advocacy groups, faith-based organizations, researchers, government officials and other stakeholders to request tours of ORR care provider facilities. After the request is received, ORR documents its decision and details regarding date and location of the tour, if applicable, and provides the completed form to the requester. This instrument was previously approved under OMB No. 0970-0498.

2. *Notice to UAC for Flores Visits (Forms A-4 & A-4s):* This instrument is used by care provider facilities to notify UAC of upcoming visits by Flores counsel (lawyers and volunteers from the organization that originally participated in the creation of the Flores Settlement Agreement) and allow UAC to add their name to a sign-up sheet if

they are willing to speak with Flores counsel.

3. *Authorization for Release of Records (Form A-5)*: This instrument is used by attorneys, legal service providers, child advocates, government agencies, and other stakeholders to request UAC case file records. In most cases, requesters are required to obtain the signature of the subject of the record request (UAC or their parent/legal guardian or sponsor) and a witness.

4. *Program Level Event (PLE) Report (Form A-9)*: This instrument is used by ORR care provider programs to inform ORR of events that may affect the entire care provider facility, such as an active shooter or natural disaster. An updated PLE Report is required for events that occur over multiple days or if the situation changes regarding the event.

5. *Emergency Significant Incident Report (SIR) and Addendum (Forms A-10A & A-10B)*: This instrument is used by ORR care provider programs to inform ORR of urgent situations in

which there is an immediate threat to a child's safety and well-being that require instantaneous action. In some cases, an Emergency SIR Addendum may be required to provide additional information obtained after the initial report.

6. *Significant Incident Report (SIR) and Addendum (Forms A-10C & A-10D)*: This instrument is used by ORR care provider programs to inform ORR of situations that affect, but do not immediately threaten, the safety and well-being of a child. In some cases, an SIR Addendum may be required to provide additional information obtained after the initial report.

7. *Sexual Abuse Significant Incident Report (SA/SIR) and Addendum (Forms A-10E & A-10F)*: This instrument is used by ORR care provider programs to inform ORR of allegations of sexual harassment, sexual abuse, and inappropriate sexual behavior. In some cases, an SA/SIR Addendum may be required to provide additional

information obtained after the initial report.

8. *Hotline Alert (A-12)*: This instrument is used by ORR's National Call Center to inform ORR of allegations sexual harassment, sexual abuse, inappropriate sexual behavior, and physical abuse that occurred while the UAC was in ORR custody.

ORR no longer plans to implement the UAC Satisfaction Survey (Form A-11 & A-11s) or the UAC Satisfaction Survey Aggregate Data instruments, which were included in the 60-Day **Federal Register** Notice (85 FR 21240) for this information collection. ORR is removing these two instruments from this information collection request.
