

Agreement as part of its annual review process ("Subadviser Review"):

(a) The Adviser will provide the Board, to the extent not already being provided pursuant to section 15(c) of the Act, with all relevant information concerning:

(i) Any material interest in the proposed new Subadviser, in the case of a Subadviser Change, or the Subadviser in the case of a Subadviser Review, held directly or indirectly by the Adviser or a parent or sister company of the Adviser, and any material impact the proposed Subadvisory Agreement may have on that interest;

(ii) any arrangement or understanding in which the Adviser or any parent or sister company of the Adviser is a participant that (A) may have had a material effect on the proposed Subadviser Change or Subadviser Review, or (B) may be materially affected by the proposed Subadviser Change or Subadviser Review;

(iii) any material interest in a Subadviser held directly or indirectly by an officer or Trustee of the Subadvised Fund, or an officer or board member of the Adviser (other than through a pooled investment vehicle not controlled by such person); and

(iv) any other information that may be relevant to the Board in evaluating any potential material conflicts of interest in the proposed Subadviser Change or Subadviser Review.

(b) The Board, including a majority of the Independent Trustees, will make a separate finding, reflected in the Board minutes, that the Subadviser Change or continuation after Subadviser Review is in the best interests of the Subadvised Fund and its shareholders and, based on the information provided to the Board, does not involve a conflict of interest from which the Adviser, a Subadviser, any officer or Trustee of the Subadvised Fund, or any officer or board member of the Adviser derives an inappropriate advantage.

9. Each Subadvised Fund will disclose in its registration statement the Aggregate Fee Disclosure.

10. In the event that the Commission adopts a rule under the Act providing substantially similar relief to that in the order requested in the Application, the requested order will expire on the effective date of that rule.

11. Any new Subadvisory Agreement or any amendment to an existing Investment Advisory Agreement or Subadvisory Agreement that directly or indirectly results in an increase in the aggregate advisory fee rate payable by the Subadvised Fund will be submitted to the Subadvised Fund's shareholders for approval.

For the Commission, by the Division of Investment Management, under delegated authority.

The Honorable Nancy Pelosi, *Speaker of the House of Representatives.*

Dear Madam Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, please find enclosed a certification of a proposed license amendment for the export of technical data and defense services for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of technical data and defense services to the UK to support the manufacture of Have Quick II ECCM devices and incorporation into radio equipment.

The U.S. government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the U.S. firm concerned.

Sincerely,  
Mary Elizabeth Taylor,
