SUPPLEMENTARY INFORMATION:

Background

On June 2, 2020, Commerce published a notice of opportunity to request an administrative review of the CVD order on high pressure steel cylinders from Italy for the POR January 1, 2019 through December 31, 2019.¹ Commerce received timely-filed requests for an administrative review from Norris Cylinder Company (the petitioner)² and Beijing Tianhai Industry Co. Ltd., Tianjin Tianhai High Pressure Container Co., Ltd., and Langfang Tianhai High Pressure Container Co., Ltd. (collectively, BTIC),³ in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b). Commerce received no other requests for administrative review.

On August 6, 2020, pursuant to these requests and in accordance with 19 CFR 351.221(c)(1)(i), Commerce published a notice initiating an administrative review of the CVD order on high pressure steel cylinders from China.⁴ On October 19, 2020, the petitioner and BTIC withdrew their requests for an administrative review of all companies for which they had requested a review.⁵

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party or parties that requested a review withdraws the request within 90 days of the publication date of the notice of initiation of the requested review. As noted above, the petitioner and BTIC withdrew their requests for review of all

Thermal Paper From Germany, Japan, the Republic of Korea, and Spain: Initiation of Less-Than-Fair-Value Investigations

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable October 27, 2020.

FOR FURTHER INFORMATION CONTACT: David Goldberger at (202) 482-4136 (Germany); Brittany Bauer at (202) 482-3860 (Japan); and Lilit Astvatsatrian at (202) 482-6412 (the Republic of Korea (Korea) and Spain); AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

The Petitions

On October 7, 2020, the Department of Commerce (Commerce) received antidumping duty (AD) petitions concerning imports of thermal paper from Germany, Japan, Korea, and Spain filed in proper form on behalf of Appvion Operations, Inc. (Appvion) and Domtar Corporation (Domtar) (collectively, the petitioners), domestic producers of thermal paper.¹

On October 13 and 20, 2020, Commerce requested supplemental information pertaining to certain aspects of the Petitions in separate supplemental questionnaires.² The petitioners filed responses to the

¹ See Petitioners' Letter, "Petitions for the Imposition of Antidumping Duties on Imports of Thermal Paper from Germany, Japan, Korea, and Spain," dated October 7, 2020 (the Petitions).

² See Commerce's Letter, "Petitions for the Imposition of Antidumping Duties on Imports of Thermal Paper from Germany, Japan, the Republic of Korea, and Spain: Supplemental Questions," dated October 13, 2020 (General Issues Supplemental); see also country-specific supplemental questionnaires for Germany, Japan, Korea, and Spain, "Petition for the Imposition of Antidumping Duties on Imports of Thermal Paper from Germany: Supplemental Questions" (Germany AD Supplement), "Petition for the Imposition of Antidumping Duties on Thermal Paper from Japan: Supplemental Questions" (Japan AD Supplement), "Petition for the Imposition of Antidumping Duties on Thermal Paper from Korea: Supplemental Questions" (Korea AD Supplement), and "Petition for the Imposition of Antidumping Duties on Thermal Paper from Spain: Supplemental Questions" (Spain AD Supplement), dated October 13, 2020; and Memorandum, "Phone Call with Counsel to the Petitioners," dated October 20, 2020.

supplemental questionnaires on October 16, 2020,³ and October 21, 2020.⁴

In accordance with section 732(b) of the Tariff Act of 1930, as amended (the Act), the petitioners allege that imports of thermal paper from Germany, Japan, Korea, and Spain are being, or are likely to be, sold in the United States at less than fair value (LTFV) within the meaning of section 731 of the Act, and that imports of such products are materially injuring, or threatening material injury to, the thermal paper industry in the United States. Consistent with section 732(b)(1) of the Act, the Petitions are accompanied by information reasonably available to the petitioners supporting their allegations.

Commerce finds that the petitioners filed the Petitions on behalf of the domestic industry, because the petitioners are interested parties, as defined in section 771(9)(C) of the Act. Commerce also finds that the petitioners demonstrated sufficient industry support for the initiation of the requested LTFV investigations.⁵

Periods of Investigation

Because the Petitions were filed on October 7, 2020, the period of investigation (POI) for these LTFV investigations is October 1, 2019, through September 30, 2020, pursuant to 19 CFR 351.204(b)(1).⁶

Scope of the Investigations

The product covered by these investigations is thermal paper from Germany, Japan, Korea, and Spain. For a full description of the scope of these investigations, see the appendix to this notice.

Comments on the Scope of the Investigations

On October 13 and 14, 2020, Commerce requested information from the petitioners regarding the proposed scope to ensure that the scope language in the Petitions is an accurate reflection of the products for which the domestic industry is seeking relief.⁷ On October
