### Office of the Secretary

[Docket ID: DoD-2020-OS-0093]

#### Privacy Act of 1974; System of Records

**AGENCY:** Office of the Secretary of Defense (OSD), Department of Defense (DoD).

**ACTION:** Notice of a modified system of records.

**SUMMARY:** The OSD is modifying the system of records, "Employer Support of the Guard and Reserve Member Management System (MMS)," DHRA 17 DoD. The MMS allows the Employer Support of the Guard and Reserve (ESGR) to maintain a roster of and facilitate communication between ESGR members, as well as track individual training and volunteer efforts. Volunteer leadership can securely access training records of members to adjust resources as necessary to ensure adequate training

among volunteer team members. This system of records notice (SORN) is being revised to expand the category of individuals covered by the system. Additional administrative changes were made to update the SORN in accordance with the OMB's requirements.

**DATES:** This system of records modification is effective upon publication; however, comments on the Routine Uses will be accepted on or before December 10, 2020. The Routine Uses are effective at the close of the comment period.

**ADDRESSES:** You may submit comments, identified by docket number and title, by any of the following methods:

\* *Federal Rulemaking Portal:* <https://www.regulations.gov>.

Follow the instructions for submitting comments.

\* *Mail:* The Department of Defense (DoD) cannot receive written comments at this time due to the COVID-19 pandemic. Comments should be sent electronically to the docket listed above.

*Instructions:* All submissions received must include the agency name and docket number for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <https://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

**SUPPLEMENTARY INFORMATION:** The ESGR maintains individual voluntary service records for all statutory volunteers within the MMS. The system facilitates communication between the volunteers, tracks training records, and maintains emergency contact information. The ESGR is a DoD program that develops and promotes supportive work environments for Service members in the Reserve Components through outreach, recognition, and educational opportunities that increase awareness of applicable laws.

The DoD notices for systems of records subject to the Privacy Act of 1974, as amended, have been published in the **Federal Register** and are available from the address in **FOR FURTHER INFORMATION CONTACT** or at the Defense Privacy, Civil Liberties, and
