

believes that the proposed rule change is equitable and not unfairly discriminatory because the fee waiver will continue to apply in the same uniform manner for the same transactions, both electronically and in open outcry,¹¹ for all TPHs that submit compression orders to the Exchange.

B. Self-Regulatory Organization's Statement on Burden on Competition

Exchange does not believe that the proposed rule change will impose any burden on intramarket or intermarket competition that is not necessary or appropriate in furtherance of the purposes of the Act.

The Exchange does not believe that the proposed rule change will impose any burden on intramarket competition that is not necessary or appropriate in furtherance of the purposes of the Act because the compression transaction fee waiver will apply to all TPHs that submit compression orders to the Exchange, as it does today and will to compression orders executed electronically and in open outcry. The Exchange does not believe that the proposed rule change will impose any burden on intermarket competition that is not necessary or appropriate in furtherance of the purposes of the Act because the transaction fee waiver will continue to apply to compression orders available only for Exchange proprietary products, SPX/SPXW.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹² and paragraph (f) of Rule 19b-4¹³ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule

change should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. IA-5622]

Notice of Intention To Cancel Registration Pursuant to the Investment Advisers Act of 1940

November 5, 2020.

Notice is given that the Securities and Exchange Commission (the "Commission") intends to issue an order, pursuant to section 203(h) of the Investment Advisers Act of 1940 (the "Act"), cancelling the registration of Ann T. Coffey Wealth Management LLC [File No. 801-77092], hereinafter referred to as the "registrant."

Section 203(h) of the Act provides, in pertinent part, that if the Commission finds that any person registered under section 203 of the Act, or who has pending an application for registration filed under that section, is no longer in existence, is not engaged in business as an investment adviser, or is prohibited from registering as an investment adviser under section 203A of the Act, the Commission shall by order, cancel the registration of such person.

The registrant indicated on its most recent Form ADV annual amendment that it is no longer eligible to remain registered with the Commission as an investment adviser but has not filed Form ADV-W to withdraw its registration.¹ Furthermore, the registrant has not filed a Form ADV amendment annually with the Commission as required by rule 204-1 under the Act; therefore, it appears that the registrant is not in existence or otherwise not engaged in business as an investment adviser.² Accordingly, the Commission believes that reasonable grounds exist for a finding that the registrant is no longer eligible to be registered with the Commission as an investment adviser and that the registration should be cancelled pursuant to section 203(h) of the Act.

¹⁴ 17 CFR 200.30-3(a)(12).

¹ The registrant filed its most recent Form ADV annual amendment on March 27, 2018.

² Rule 204-1 under the Act requires any adviser that is required to complete Form ADV to amend the form at least annually and to submit the amendments electronically through the Investment Adviser Registration Depository.

¹¹ See *supra* note 7.

¹² 15 U.S.C. 78s(b)(3)(A).

¹³ 17 CFR 240.19b-4(f).

Notice is also given that any interested person may, by November 30, 2020, at 5:30 p.m., submit to the Commission in writing a request for a hearing on the cancellation, accompanied by a statement as to the nature of his or her interest, the reason for such request, and the issues, if any, of fact or law proposed to be controverted, and he or she may request that he or she be notified if the Commission should order a hearing thereon. Any such communication should be emailed to the Commission's Secretary at Secretaries-Office@sec.gov.

At any time after November 30, 2020, the Commission may issue an order cancelling the registration, upon the basis of the information stated above, unless an order for a hearing on the cancellation shall be issued upon request or upon the Commission's own motion. Persons who requested a hearing, or who requested to be advised as to whether a hearing is ordered, will receive any notices and orders issued in this matter, including the date of the hearing (if ordered) and any postponements thereof. Any adviser whose registration is cancelled under delegated authority may appeal that decision directly to the Commission in accordance with rules 430 and 431 of the Commission's rules of practice (17 CFR 201.430 and 431).

Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Designation of a Longer Period for Commission Action on a Proposed Rule Change, To Allow Companies To List in Connection With a Direct Listing With a Primary Offering in Which the Company Will Sell Shares Itself in the Opening Auction on the First Day of Trading on Nasdaq and To Explain How the Opening Transaction for Such a Listing Will Be Effected

November 4, 2020.

On September 4, 2020, The Nasdaq Stock Market LLC ("Nasdaq" or "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to allow companies to list in connection with a direct listing with a primary offering in which the company will sell shares itself in the opening auction in the first day of trading on Nasdaq and to explain how the opening transaction for such a listing will be effected. The proposed rule change was published for comment in the **Federal Register** on September 21, 2020.³

Section 19(b)(2) of the Act⁴ provides that within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding, or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day after publication of the notice for this proposed rule change is November 5, 2020. The Commission is extending this 45-day time period.
